

THERE IS AN OPEN HEAVEN OVER US TODAY

Pastor W du Plessis, 10 August 2017 – Morning Service

- It's time for increase. Time for the people of God. We rise above ourselves
- Heaven is upon us and what is above us is God and He is coming down
- It's God's time now
- So we need to realize and live in the open heaven
- We are not here for ourselves or what's comfortable for you but we are here to give God a praise offering

Word

- We have an open heaven
- God is going to cause His church to break out in a dimension of prayer and worship
- Our prayer and worship is not going to carry distance
- God is looking for ways to say yes if you ask something
- He has the best in mind for you
- God doesn't want distance. He wants you to come to Him face to face
- God never intended distance but we choose distance
- God is close, He is closer than your breath
- He chose to come live in you
- We need to set our mind on God
- If you perceive Him as a God that is distant, that is what you will receive
- Carry the measure of faith that God is for you and not against you
- God does not work with you according to your past
- Don't set yourself up for a no and steal from yourself
- God sees in you a great future and a great purpose
- He calls you child. He calls you a son and daughter
- God says He is yours and you are Mine. God wants you to be close to Him
- God will go out of His way to give you an open heaven
- God is moving to a higher order and positioned us in a higher place. We are under a higher order
- God has brought us into His order. He placed us in a heavenly place
- God is so near to us now, we need to grasp onto that dimension
- He is at work to bring breakthroughs for you and open doors for you
- Your pain is more agonizing to Him because He is your Father. He feels for you, He loves you and He is close to you
- The devil is always at work to give you an obscure perception of who God the Father is and to steal from you
- He wants you to be distant from God but God is not against you, He is for you
- It's God's passion to see you victorious
- You are the apple of His eye
- The best must come to you
- Your life must carry the testimony that God is for you and that must shake things around you
- God has called you for greater things
- It's important that we must change our minds and shift
- Shift your worship
- Every judgement that He makes is a verdict in your favour
- But if you are far or distant you can't receive the full portion
- God wants to bring all your enemies under your feet
- God wants to make things happen in your life. He wants to bring heavenly results
- He doesn't compete with the wrong believe system
- Get a believe system that He is your Father
- He is closer than your own breath
- You are summoned to Zion, the throne of God
- He wants to reveal Himself more

Revelation 12:10-11

Then I heard a loud voice in heaven say: "Now have come the salvation and the power and the kingdom of our God and the authority of his Messiah. For the accuser of our brothers and sisters, who accuses them before our God day and night, has been hurled down. They triumphed over him by the blood of the Lamb and by the word of their testimony, they did not love their lives so much as to shrink from death.

- There is an accuser that are accusing us day and night
- There is a courtroom in heaven and the Great High Priest has dealt with every legal matter concerning your life
- In the old covenant the priest would go in once a year to atone for the peoples sin
- Because man could not uphold the law. Law is legal. The high priest had to deal with the matter legally. The wages of sin is death. They had to do that once a year because it would last for only a year
- Jesus became the sin offering for us, once for all
- We are not in the old we are in the new
- God has dealt with every legal issue over your life. God ransomed you, it is legal
- He purchased you with His own blood
- It does not matter what the devil does or say, you don't belong to him. The devil has no say over your life. He brings an accusation against you
- God is a just God and judge
- In His righteousness He has dealt with every legal aspect over your life
- In His priesthood He secured a better future for us
- His blood speaks for you and ransomed you
- After he dealt with the legal matter He ascended to the throne
- He now not only functions as a priest but as a King
- Kings make laws and decrees
- God in this time wants us to be close to Him so that we can hear the testimony of the King
- When you are far, you always set up for something that is not in your favour
- In Daniel 10 it says, He made judgements in your favour
- God wants to bless you. He wants to expand you
- The devil is a legalist
- We must live in the spirit and shut down the things of the flesh
- Sometimes we live our lives in the flesh and that is what the legalist devil feed on
- We don't always win because in the courtrooms of heaven there are legal issues hanging
- God wants you to partake in His higher order
- The Israelites could not enter the promised land because there were ten spies that gave a negative report
- Ten in the Hebrew culture speaks of government. Then it became a legal issue
- God could not allow them to enter because legally there was a negative report
- God wants you to be God conscious not devil conscious
- You are not far you are close to God. Know that the Father is for you
- We are overcoming by the Blood of the Lamb
- Bring everything under the Blood so that the enemy cannot bring any accusation against you
- God wants to give us greater results
- God deals with you as a son not as a sinner
- When God gives a favourable verdict the door opens up
- You need to come to the place where you say: "God, my life is yours"
- The enemy has things to hold against you because you want your life to be yours
- God has ransomed you. Surrender your life to God
- In the presence of God our lives become undone
- God is a just judge and want to give good things in our lives
- God wants to free us from condemnation
- God decree healing, restoration, freedom, health, increase and blessing on blessing
- God wants to do it because we are in the same order as God
- If we are sick we cannot raise the dead
- It's time that we heal the nation so we need to come to the right order of God

- It's time for a breakthrough, what is holding you back? God wants to release it
- It's time to win the war but first go to the throne and then it's done and won
- Align yourself for a favourable verdict
- There is a city and Nation waiting for us
- You will overcome by the Blood. The war is already won by the shedding of His Blood
- God has the best in mind for you. He wants to be close to you
- You will overcome by the blood of Jesus
- Proclaim enough is enough
- It's an open heaven, it's now the time
- It is not about your personal life only
- There is greater things that God want to release for you, personal and corporate, He wants to give to us
- Bring your life under the Blood of Jesus
- Allow God to decree a verdict over your life that is His life

Amos 5:4-7

This is what the LORD says to Israel: "Seek me and live, do not seek Bethel, do not go to Gilgal, do not journey to Beersheba. For Gilgal will surely go into exile and Bethel will be reduced to nothing." Seek the LORD and live or he will sweep through the tribes of Joseph like a fire, it will devour them and Bethel will have no one to quench it. There are those who turn justice into bitterness and cast righteousness to the ground.

- We need to come back to the place where we meet Him face to face
- We need to repent of our sin and return
- God cannot use us if we do not obey Him and turn back to Him
- There is open heavens over our families

Jerome Naidoo

- We are suspended from office because the accuser has brought accusations before God
- Because this has been brought before the Judge and He has declared the verdict in our favour
- We need to arise and shine
- The verdict has been past
- There is no guilt there is freedom

Pastor Wentzel du Plessis

- God does not deal with us on the level of the enemy. He does not deal with us on the level of sin
- God doesn't want you to feel guilty or shameful. He does not want you to be self-conscious, He wants you to be God conscious
- He is inviting us up
- Stand in heaven before the Great Judge and bring a honest testimony before God
- Your adversary is not even there in heaven, it is just you and God
- We are overcomers through the Blood of Jesus
- Do not be sin conscious, we do not have time to be sin conscious
- We only have time to be God conscious
- Your life matters
- He loves you, He is your Father
- He wants you to win the war
