- His Kingdom is an everlasting kingdom
- That what you carry on the inside is the only thing that really matters
- Don't make things more important than God
- There is a Kingdom on the inside of you that will endure to the end
- Shake off the things that can not endure to the end – that what is on the outside
- Latch onto the Kingdom

- What is important is not what you are going through but what you are carrying
- What you carry is what will endure and will carry you through
- Be the man and the woman that God has called you to be
- God is on the move and nothing will stop His Kingdom
- Kingdoms of man is going to fall because God's light is going to come
- Connect your heart and faith to the Word
- This is why Jesus came

Colossians 1:13

For he has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves

- There was a time when we were in the kingdom of darkness but He brought to the earth a Kingdom that cannot be shaken, a Kingdom of light, a heavenly Kingdom
- There was someone that translated that Kingdom to us
- Someone had to encounter that Kingdom and translate that Kingdom to us
- When you opened your heart and responded to that Kingdom, it entered into your heart and swallowed up every other Kingdom
- In one moment your life was translated from darkness to light
- You have the power of translation
- When someone speaks in a foreign language - the moment that there is translation everyone can form part of what is happening
- People desperately need that what we carry
- Even if you do not have everything in order in your life God can use that what He has placed on the inside of you
- The Kingdom within us needs to be translated
- Faith comes by hearing and hearing from the word of God
- Someone has to translate the Word to us
- The power is what you carry and when you are willing to believe it and to translate it, it will start to work in the heart of people
- The Word of this Kingdom has its own potential, it just needs your obedience, willingness and faith
- It just needs you to translate that what you have received

See, the former things have taken place and new things I declare, before they spring into being I announce them to you."

- God declares new things
- Even before anything happens there needs to be a translation, an expression of words
- The frequency that you carry needs to be translated
- The Word says with the heart one believes and with the mouth one confesses unto salvation
- The heart and the mouth is contractual

Luke 4:18

"The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free,
