

Isaiah 55:7-11

Let the wicked forsake their ways and the unrighteous their thoughts. Let them turn to the LORD and he will have mercy on them and to our God, for he will freely pardon. "For my thoughts are not your thoughts, neither are your ways my ways," declares the LORD. "As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts. As the rain and the snow come down from heaven and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty but will accomplish what I desire and achieve the purpose for which I sent it.

- We know that when the rain comes down, things are going to happen
- When the rain comes down the dams will be filled, the rivers will begin to flow
- When the rain comes down our gardens will blossom, our flowers will blossom, the crops will grow
- There will be an increase because of the rain
- God's Word is like the rain. When He speaks, things are about to happen
- God has spoken
- God is on the move and nothing can stop Him
- God's Word has been set forth and will not return void but it will accomplish what is said to do
- **God is on the move**
- 2018 already starts for us, we are not waiting for 31 December, we have already received the Word and the moment the Word comes, God moves
- Nothing can stop what God wants to do but you can stop Him for what he want to do in your life
- God will not do it against your will. He is looking for an open and responsive heart
- Make a decision, not to stop God in your life
- What God said, God will do
- Only you can stop what God wants to do in your life
- Let us not stop what God want to do this year in 2018
- When the Word is released and you receive it, it becomes yours
- We need to be ready – God is on the move. Position yourself

1. Open your heart and accept the Word

- Jesus told His disciples to wait
- Before next move, God makes an announcement
- When God says I am on the Move and you take it and you receive it that is the moment the Word of God begins in your life
- The move of God does not start with a manifestation it starts with a Word
- God is saying His next wave is coming, it is here. God is on the move
- Open your heart to receive the implanted Word so that God can begin to move in your life
- God is looking for an open heart
- When our heart is open the Word can find entrance
- Suddenly – God will intervene, God will speak and God will begin to manifest himself
- When God speaks, we will respond. God is looking for an open heart
- We need to ask ourselves, "Is my heart still open?"
- This move will touch the city and it will touch the nation
- When God is on the move, we need to constantly check our hearts
- We need to constantly make sure we put God first

2. Put God First

- There are 2 measuring sticks to ensure that you put God first
 - We need to do the Word
 - We many times hear but we don't do. We need to do what He says
 - Measure ourselves – God am I hearing or am I doing
 - Conscience
 - Listen to your conscience
 - Can you at the end of the day say, "God, today I know I have put You first in everything"

- Put God first, stand before God with a clear conscious
- “I have not only heard the Word but I have done the Word”

3. **Our faith in God needs to increase**

- God is very interested in your believe system
- Fine tune your ears to the frequency of the Word, hear it, because God is speaking
- The manifestation is proceeded by the Word
- You cannot receive the manifestation and result if you cannot receive His Word

Ephesians 6:16

In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one.

- Take up the shield of faith that enables us to quench everything of the enemy
- The enemy attacks us to wear us down in order to make us doubleminded
- Bible says he is father of all lies
- Faith and truth cannot grow in the atmosphere of lies. Clear us from all lies of the enemy
- A strong belief system – gives us the shield to withstand the attacks
- With faith we can stand our ground
- We are on the brink of our miracles
- But we stop before we enter in, stand your ground
- By faith we will stand our ground
- Take all that God want to give to us
- Hold onto the truth, hold onto the promises of God, hold onto your faith
- Faith will quench every attack
- That will give you the capacity to pull through
- Failure is not a problem but get up, rise in faith
- Hear the Word, fine tune your ears
- God is looking for a heart that will believe Him
- **God is on the move**

4. **We are going to possess all the things that God want for us**

- We will possess many things opportunities, domains, contracts, neighbourhoods, new area's
- God's thoughts for 2018 is that we will possess things. Get ready, position yourself – possess things
- God thinks big but we often think small
- The move of God is a great harvest. Harvest of things including a harvest of souls
- Enter into the market place, possess streets
- 2018 we are going to step out like never before, we are going to possess, we are going to represent Him
- Opportunities, platforms possess it, it is yours
- We cannot entertain negative thoughts any more
- God want us to possess

5. **Do not shrink (hold back, withdraw, compromise, do not become fearful) in the face of intimidation**

- The enemy will throw a tantrum, don't be intimidated by the tantrum
- Don't think it is maybe because you did something wrong, you are doing something right
- You have taken a stand
- It will be like in the times of Nehemiah – They was building with one hand and in the other hand they had the sword
- The biggest intimidation comes from your mind
- Shut down the thoughts that are not from God as they want to intimidate you
- Greater things are upon us
- God is on the move
