

Senior Pastor HL Bester

- Our cry is that God will touch other churches as well, we want to release it over South Africa
- God wants to start with us
- God is filling us with power
- Break out of the normal
- There is a river flowing from heaven
- This river from heaven will flow to other regions and other churches
- God is working like never before
- God is pouring His Spirit out over the Church

Pastor Rako

2 Chronicles 20:20-23

Early in the morning they left for the Desert of Tekoa. As they set out, Jehoshaphat stood and said, "Listen to me, Judah and people of Jerusalem! Have faith in the LORD your God and you will be upheld, have faith in his prophets and you will be successful." After consulting the people, Jehoshaphat appointed men to sing to the LORD and to praise him for the splendor of his holiness as they went out at the head of the army, saying: "Give thanks to the LORD, for his love endures forever." As they began to sing and praise, the LORD set ambushes against the men of Ammon and Moab and Mount Seir who were invading Judah and they were defeated. The Ammonites and Moabites rose up against the men from Mount Seir to destroy and annihilate them. After they finished slaughtering the men from Seir, they helped to destroy one another.

- Worship will be your greatest weapon
- People that are bound and are broken will enter into this place
- Worship is such a great weapon
- Healing will begin to take place in this house
- God is raising an army of Worship
- Worship displaces the enemy. In the coming days worship will be a great weapon against the enemy
- Prophetic word for South Africa –
 - In this season the Lord is going to rise like a man of war
 - He is going to gird himself up as a warrior
 - The Lord is going to settle the score against the enemy
 - Many horses are charging into battle
 - What God is doing in heaven He will do here in South Africa
 - No longer will the church be on the back foot and no longer will the Pastors be putting out fires that the enemy has started
 - The church will be riding furiously to take out the Spirit of Jezebel
 - Church will be on the front foot
 - No longer will the church be defensive
 - Our prayer has risen up as a memorial before Him
 - Our prayers have saturated the realm of the Spirit
 - The realm of the Spirit is pregnant over the church of South Africa
 - God has restraint Himself for a long time and have kept silent but like a woman in labour going through the pains until all that is saturated in the Spirit is released in South Africa for such a time as this
 - Until the water will break over South Africa and the baby that the people of South Africa has prayed for in the Spirit is released

Pastor Gunther

- So many things are happening in the Spirit
- Don't take for granted what you have
- God is doing something special in this place and He is getting ready to enlarge capacity
- Things God has released over this house – time of prayer in this house will not be the same
 - I saw a hand extended with a sword in the hand not a sceptre

- Prayer in this house will go to a new dimension
- Sword is giving you the authority to deal with things in the Spirit realm that will shift things not just over this city but over the nation

Psalm 144

Praise be to the LORD my Rock, who trains my hands for war, my fingers for battle.

- God is saying: “I’m going to train you in a new dimension when it comes to prayer and when it comes to warfare, connecting your worship and your warfare because you cannot war unless you have been in a place of worship and you cannot touch and change the atmosphere unless you are in a place of His presence”
- In a place of His presence you receive the authority, you receive the boldness, you receive the words, everything that you need for the war that is taking place
- So as you enter into worship God will begin downloading new dimensions of authority and prayer and as you speak from that place of worship things will be shifted in the atmosphere
- **Second thing:** God is going to make members – disciples, disciples – mentors, mentors – ministers and ministers – sons
- Sons to be put out there to change the atmosphere
- Stirring of Prayer cells, a number of people carry it in their hearts, all over this city, in business, education no matter where they are going there will be a passion for prayer
- God says I will take you to the next level, God’s presence is coming.
- We will start seeing higher dimensions waters flowing out of this church, touching everything around you
- Jesus said to the woman at well:

John 4:14

but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life.”

- Wells will change to rivers and I believe God is saying that it is time for the rivers to flow

Riaan van Biljon

- God is pouring out hot sealant and He is pressing down with His hand on it
- It is a promise that we are chosen and handpicked to fulfil the assignment

Pastor Wentzel du Plessis

- This is a working / waring / worshipping church
- Senior Pastor made a statement: “when you take action you move from a place of limitation to a place of abundance”
- We need to take action in the Spirit world. When you only take action in the natural, it can be in vain
- This is a Spiritual church and in our worship and in our prayer we will have to start touching a dimension of heaven

Hebrews 12:22-24

But you have come to Mount Zion and to the city of the living God, the heavenly Jerusalem, to an innumerable company of angels, to the general assembly and church of the firstborn who are registered in heaven, to God the Judge of all, to the spirits of just men made perfect, to Jesus the Mediator of the new covenant and to the blood of sprinkling that speaks better things than that of Abel.

- Faith without action it is dead
- We need to take more action in the Spirit, prayer and worship and out of that place we now need to take action in the streets
- We can become so resourceful, so wise, so experienced, so professional that we eventually think we can give people answers do things as we have always done it but that does not mean that it is God’s answer
- We need to be anointed and ensure that our answer is fresh. We will have to go to the next level
- It is vital to understand, that if God don’t anoint us afresh and if God does not come through, our work will be in vain. We need more and more for God to anoint us
- Whatever takes place in the heaven, that will be manifested here
- We need to break out of limitations into a place of abundance

- We need to take action
- Actions starts on your knees, in your prayer life and in worship
- God wants to work and His river wants to flow in us and through us
- God has positioned us, we are no longer part of an old order. In the old order people were on the outside
- We are part of the priesthood of Christ, we are on the inside
- God has opened up a door where we can draw closer to Him
- The hand of the flesh and the human element need to become less and the Hand and divine element of God need to become greater

1. Prayer is relational

- Prayer comes out of relationship
- This dimension will breakout, people will more and more fall in love with God
- More and more people will come closer and closer to God
- We need to get to the place where we ask: “God what can I do for You?” We need to begin to ask according to His nature. The closer we get to God, our asking will change from self, to what can I do for You

2. Prophetic dimension of prayer

- We capture the frequency and the thoughts in the heart of God
- This dimension is available to us
- What I speak is what God speaks
- God want us to spend time with Him
- The proceeding word of God need to be in our mouths not dead words
- The enemy is afraid of the Word in us
- Creation respond because of what is on the inside of us
- Creation detects that this is God’s son
- God has placed His Word above His own name
- God want us to walk out of limitation into abundance
- You tried it your way, now stop and do it God’s way
- The hand of flesh will not work
- When God speaks, something must happen
- We are trusting God for families
- When we took action, there was more than a hundred salvations in the cells
- If we want results we need to take action

3. Prayer is legal

James 5:16b

... The prayer of a righteous person is powerful and effective.

- The word “righteous” is a legal word
- It gives us legality to prayer
- When you touch Zion, things must happen
- In a court of law, when a Judge’s verdict is rendered it is not only legal but it is final

Hebrews 12:23b

... You have come to God, the Judge of all, to the spirits of the righteous made perfect,

- We are meeting in a supernatural place
- We are standing before the Judge of all, ready for inspection
- This Judge want to render a verdict in our favour, not against us. This Judge loves us
- We live illegal lives and we want the just Judge to render a verdict

Revelation 12:10-11

Then I heard a loud voice in heaven say: "Now have come the salvation and the power and the kingdom of our God and the authority of his Messiah. For the accuser of our brothers and sisters, who accuses them before our God day and night, has been hurled down. They triumphed over him by the blood of the Lamb and by the word of their testimony, they did not love their lives so much as to shrink from death.

- There is an accuser that accuses us before the Judge
- We cannot turn His arm, He is just, He wants to render a just verdict
- The limitation over your life is gone, it is done, it is final
- Declare: "You are for me, not against me and you love me and render a verdict that will break every limitation over my life"

Luke 18:1-8

Then Jesus told his disciples a parable to show them that they should always pray and not give up. He said: "In a certain town there was a judge who neither feared God nor cared what people thought. And there was a widow in that town who kept coming to him with the plea, 'Grant me justice against my adversary.' "For some time he refused. But finally he said to himself, 'Even though I don't fear God or care what people think, yet because this widow keeps bothering me, I will see that she gets justice, so that she won't eventually come and attack me!'" And the Lord said, "Listen to what the unjust judge says. And will not God bring about justice for his chosen ones, who cry out to him day and night? Will he keep putting them off? I tell you, he will see that they get justice and quickly. However, when the Son of Man comes, will he find faith on the earth?"

- The unjust judge thought: "I better avenge her, what she brought before me is legal"
- How much more will our God not render a verdict in our favour? He will do it swiftly
- There are many things that are overdue in our lives
- The limitations need to be broken in our lives
- **God wants us to go from limitation to abundance**
- The Judge wants to render a favourable verdict

Revelation 12:11

They triumphed over him by the blood of the Lamb and by the word of their testimony, they did not love their lives so much as to shrink from death.

- There is nothing more legal than the blood
- We have been bought with a high price
- The blood is more powerful than anything
- Circumstances want to bring accusations against you
- You need to position yourself correctly
- You belong to Him
- The blood of Jesus is sufficient to save and heal me and still sufficient to bring me to the end
- We are not cursed, we are blessed
- The blood is sufficient to deal with every sin
- Sometimes we want to be sin- and self-conscious and even problem conscious but we need to be God conscious
- Overcome him by the blood and the word of your testimony
- Your testimony is a truthful account making it legal
- It is a truthful testimony of what God says, not what your circumstances say
- When you murmur your testimony becomes negative
- We need to become people that will believe God no matter what!
- God is looking for our hearts to be truthful and honest. Be honest to yourself and God
- God renders a verdict in favour of our family life, in favour of our finances, children, businesses whatever aspect
- God is a just Judge, He wants to come through for His people
