

### Senior Pastor Hendrik

- No matter what degrees you have we all need Jesus Christ

### Tebogo Selaelo

- Spiritual things also needs our bodies. God needs your body to do something great for Him
- We need to be healthy, God cannot use dying bodies to change the world
- We need to be an impact to the world
- **To the people 39 years and younger**
  - God needs your bodies to go into the world and preach the gospel
  - To heal people, God needs your availability. Avail yourself for the things of God
  - We should keep our bodies healthy for God
  - When you get married you give your body to your spouse, you offer your spouse a bone, not a dying body
  - Marriage is ministry as you work together as a couple
  - A mother needs to have enough energy to impart into the kids
  - When your body breath diseases, it is not healthy
  - We are too much into worldly things and it dries us out
  - Because of that we don't have the energy to serve God
  - God needs you, you cannot negotiate Godly things
  - God will not do something if He has not spoken to someone
  - Abraham was fed up with Sodom and Gomorrah - He agreed with God
  - God said to Moses, "I have heard the cry of my children"
  - God needs you to make and impact

### Dr Thapelo

- We need to come into the presence of God
- Come to the place where you realise that the presence is yours and anytime you want to go in you can do that
- God wants you to change your address
- God wants us to dwell in heavenly places
- That is the place that God has guaranteed for us
- We are so used to the natural things that we have become naturally natural
- God want you to transition and come into the supernatural
- God wants us to be so comfortable with Him like in the days of Adam
- God came down to be with Adam
- Adam had dimensions in him that allowed him to connect with God
- God just loved to be with man. God wants you to come into the dimensions of the Spirit
- When we encounter challenges in the natural, we need to be able to "rover" over the natural
- **The life that you have come into is a supernatural life**
- When trouble come you can know that you can overcome it
- When challenges come we can know that God will show up
- We always look for scenarios where there are no challenges. Life without challenges is just an ideal
- God has said when I call He will answer me, I will be with you (when you go through trouble)
- It is a very dangerous thing when we go out without you setting your love in God
- When God goes with you into trouble, troubles will be troubled
- When there is a test, it distinguishes the boys from the men
- God expects you to rise above the natural
- When challenges come, they that know their God will do great exploits
- There is nothing that is above God
- Many people think that they are living for God but actually very few people are really living for God
- Your greatest desire need to be to live for God
- Nothing can compare to living for God

### **Psalm 37:11**

*But the meek will inherit the land and enjoy peace and prosperity.*

- When you live for God, the Word says that the end of that man will be peace
- Prepare to rise in the supernatural because that is where God enjoys you the most
- God just enjoyed the company of Adam until sin was found in him and even though he did not die immediately after he sinned, he ultimately died
- Abel brought a pleasing sacrifice before the Lord and he was cut off because Cain killed him
- Enoch walked with God and he was taken up – he had such a relationship with God that he would go in and out of the presence of God
- Every time you enter into the presence of God there is so much of the dimensions of God that are released on your life that people will be so afraid of you
- Moses had to put a veil on his face
- God wants you to come full force
- There is no fun without God
- God desires you more than you actually desire Him
- Meditate on the Word because in the Word there is so much life
- Everything was made by Him and in Him was life and power to impart life
- Every time you read the Word it is like you are eating food
- When you sleep while reading the Word, you don't know this God
- There is so much revelation in the Word
- When the widow went to Elisha and said the debtors are coming and I have nothing to give them – he told her gather as many vessels as you can and he continued to fill them with oil. When all the vessels were filled and there were no more empty ones only then the oil stopped flowing
- Heaven will never stop flowing until there is no more vessels to be filled
- **Power of leadership and legacy transfer**

### **Ephesians 3:20-21**

*Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.*

- God is the God of **now**
- **You have power inside of you**
- We do not need to be afraid of witches and wizards
- They are scared of us because we have power inside of us
- Do you know the amount of power you have available to you
- The power is also available to you in the world not just in church
- The kind of relationship that God wants you to enter in is a relationship that cuts you off from the past
- **God wants us to step into a trans generational blessing**
- Many pursue God for some time and then it stops
- There is no continuity into the next generation
- South African farmers that has put their heart on farming will stay there and work the land until the ground is fertile
- God wants us to step into something that goes from generation to generation
- Jesus is in heaven and we are here on the earth but we are one body
- We need to come to realization who Christ is in us
- Many knows Christ as their Saviour but it is not enough, we need to know Him as being our Head
- We are one body
- Ananias and Saphira lied to Peter but Peter said they lied to the Holy Spirit
- He knew that the Holy Spirit was in him
- The fear of God gripped the church. We need the fear of God in our lives
- What do you do in private when you are all alone with your computer or cell phones
- Sometimes God withhold His presence and then we don't know why
- It is not the man with a loaded gun that is dangerous but a man who is loaded with the word of God, that is dangerous
- Even our thinking is dangerous

- There is five ways to fear God
  - Fear God as if He is there in person
  - Fear God before honourable people
  - Fear God when you are by yourself
  - Fear God in the world (at your work)
  - Fear God before the satanic world
- If God was here tonight people would behave differently
- God is here and He is ready to co-operate with us
- God wants us to step into His realm because once you step into it it becomes your inheritance
- We need to have the revelation of Christ, the One you pursue
- Truly live for God

### **John 4:1-35**

*Now Jesus learned that the Pharisees had heard that he was gaining and baptizing more disciples than John— although in fact it was not Jesus who baptized but his disciples. So he left Judea and went back once more to Galilee. Now he had to go through Samaria. So he came to a town in Samaria called Sychar, near the plot of ground Jacob had given to his son Joseph. Jacob's well was there and Jesus, tired as he was from the journey, sat down by the well. It was about noon. When a Samaritan woman came to draw water, Jesus said to her, "Will you give me a drink?" (His disciples had gone into the town to buy food.) The Samaritan woman said to him, "You are a Jew and I am a Samaritan woman. How can you ask me for a drink?" (For Jews do not associate with Samaritans.) Jesus answered her, "If you knew the gift of God and who it is that asks you for a drink, you would have asked him and he would have given you living water." "Sir," the woman said, "you have nothing to draw with and the well is deep. Where can you get this living water? Are you greater than our father Jacob, who gave us the well and drank from it himself, as did also his sons and his livestock?" Jesus answered, "Everyone who drinks this water will be thirsty again but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life." The woman said to him, "Sir, give me this water so that I won't get thirsty and have to keep coming here to draw water." He told her, "Go, call your husband and come back." "I have no husband," she replied. Jesus said to her, "You are right when you say you have no husband. The fact is, you have had five husbands and the man you now have is not your husband. What you have just said is quite true." "Sir," the woman said, "I can see that you are a prophet. Our ancestors worshiped on this mountain but you Jews claim that the place where we must worship is in Jerusalem." "Woman," Jesus replied, "believe me, a time is coming when you will worship the Father neither on this mountain nor in Jerusalem. You Samaritans worship what you do not know, we worship what we do know, for salvation is from the Jews. Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks. God is spirit and his worshipers must worship in the Spirit and in truth." The woman said, "I know that Messiah" (called Christ) "is coming. When he comes, he will explain everything to us." Then Jesus declared, "I, the one speaking to you—I am he." Just then his disciples returned and were surprised to find him talking with a woman. But no one asked, "What do you want?" or "Why are you talking with her?" Then, leaving her water jar, the woman went back to the town and said to the people, "Come, see a man who told me everything I ever did. Could this be the Messiah?" They came out of the town and made their way toward him. Meanwhile his disciples urged him, "Rabbi, eat something." But he said to them, "I have food to eat that you know nothing about." Then his disciples said to each other, "Could someone have brought him food?" "My food," said Jesus, "is to do the will of him who sent me and to finish his work. Don't you have a saying, 'It's still four months until harvest'? I tell you, open your eyes and look at the fields! They are ripe for harvest.*

- The Samaritan woman first had the revelation of Jesus as a man
- In Verse 19 she perceived Him as a prophet
- In verse 25 she perceives Him as the Christ
- In Verse 34 Jesus tells His disciples that His food is to do the will of His Father and to finish it
- To do the will of the Father is the true reason why we are here and to finish it
- This will accelerate you into your destiny
- Who you pursue in your life as your leader is very important
- When you see a man that does the will of the Father you need to lock into them and run with them. To do the will of the Father – brings protection and fulfilment

### **Isaiah 55:1**

*“Come, all you who are thirsty, come to the waters and you who have no money, come, buy and eat! Come, buy wine and milk without money and without cost. Buy and eat without money*

- We need to accomplish the very thing that God wants us to do
- To do the will of the Father and to finish it does not need money
- Money is important but you don't need it – just step in and do the will of the Father. All you need is a willing heart. By this you will bless God
- God is not impressed with your house but it blesses God when you are right at the will of the Father, to be able to do the right job, right where it matters the most
- We need to finish the work
- Leadership establishes the chain of command which ensures delegated authority
- Many people desire blessings but there is a difference between blessings and a blessing
- When you pursue delegated authority and accurate leadership God will release a blessing over your life
- Blessings are cars and all the nice things but when we are blessed, all these things are guaranteed
- Only the man or woman that God has placed His delegated authority upon can release legacy over your life
- Pursue the blessing that God has for you in this life

### **Genesis 25:5-6**

*Abraham left everything he owned to Isaac. But while he was still living, he gave gifts to the sons of his concubines and sent them away from his son Isaac to the land of the east.*

- Abraham gave all to Isaac – the Spiritual dimensions was deposited into his life
- Blessings and birth right are intertwined
- Abraham passed it to Isaac and Isaac passed it to Jacob who again passed it to Joseph
- Only the fathers was able to pass it onto their sons
- God has granted this delegated authority to us, we can walk in this authority
- God will bring you with a man in order for you to become a formidable team
- When you do the will of the Father and finish it, He will release power and authority over your life
- When Jesus died on the cross He destroyed the works of sin and the effect of sin
- Therefore today we can be free of all these things
- When He rose up, Jesus destroyed death

### **Isaiah 53:1**

*Who has believed our message and to whom has the arm of the LORD been revealed?*

- When it speaks of the arm of the Lord it speaks of power

### **Isaiah 53:5**

*But he was pierced for our transgressions, he was crushed for our iniquities, the punishment that brought us peace was on him and by his wounds we are healed.*

- Years before they wrote – by Jesus stripes we are healed
- Sickness is a mirage
- Time makes no difference

### **Luke 9: 1-2**

*When Jesus had called the Twelve together, he gave them power and authority to drive out all demons and to cure diseases and he sent them out to proclaim the kingdom of God and to heal the sick.*

- God is still a healing God – not Dr that heals but God Almighty
- Step into the spirit – sick will be made whole. Healing power is made available to you, reach out to God. Receive your potion
- **Prayer to Senior Pastor:**
