Haggai 1:13-14

Then Haggai, the Lord's messenger, gave this message of the Lord to the people: "I am with you," declares the Lord. So the Lord stirred up the spirit of Zerubbabel son of Shealtiel, governor of Judah and the spirit of Joshua son of Jozadak, the high priest and the spirit of the whole remnant of the people. They came and began to work on the house of the Lord Almighty, their God,

- God wants to stir up our spirits to work together with Him
- His Kingdom is the highest priority to Him
- The highest price has been paid for your life
- He paid the price for every man and woman to experience break-out in their lives every day
- Every day God wants to work in you and through you

1 Corinthians 3:9

For we are co-workers in God's service, you are God's field, God's building.

- We are co-workers with God
- You are God's field and His house, His dwelling place and He wants to invest in His field
- A farmer does not store his seed but he sows it in his field
- God wants to impart into you a fresh Word every day
- He wants to invest in your life, that you will become unshakeable and that you can stand for Him

Romans 8:11

And if the Spirit of him who raised Jesus from the dead is living in you, he who raised Christ from the dead will also give life to your mortal bodies because of his Spirit who lives in you.

1 Corinthians 6:17

But whoever is united with the Lord is one with him in spirit.

- God wants to shut down darkness every day
- We have a different culture than the rest of the world
- We have been trained in seeking God and His righteousness first
- Every blessing that we receive is a platform for the Lord to use
- You are successful because God wants to use you
- Your struggles is an opportunity for Him to come through for you
- He wants to stir up our spirits on a daily basis
- It's not only the responsibility of the shepherd to make things happen but each person is a co-worker with God
- It is a privilege to be a co-worker with Christ
- Partner with Him to do the supernatural
- The fire you received is not just for today but we need to take it into the marketplace, where you work and wherever you go
- We need to come before God in our inner-room and ask Him to equip and prepare us

How to partner with God

Romans 12:1-2

Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is —his good, pleasing and perfect will.

- We need to present our bodies before God
- God is fighting for your time. God wants to spend time with you
- If you are going to give Him your time, He is going to change you
- He wants to do something in your life that no man or sermon can do in your life
- There is so much potential in spending time with God
- We can change Germiston if everyone spends time with God and does what He expects us to do
- We can labour but it is God who brings the increase
- The Word cannot be fruitless
- When the Spirit of God speaks to your heart it will bring fruit
- God says that it's not in your power to make things happen but as a co-worker it can happen
- Be prepared at all times for God to use you
- **We are all fulltime in God's service because God purchased your life**
- Our labour is not only in the marketplace, it starts in your inner-room
- It takes work to find a scripture and it takes work to get it into your heart and implement it into your life
- We need to prepare ourselves in our inner-room or we will miss God in the marketplace
- It's not about money or status but how God wants to use you
- If you are a disciple of God, you need to have a disciple that you invest into. A disciple will keep you accountable. We need a disciple as much as a disciple needs us
- If you say you are a co-worker with God and you give your life to people your disciple will keep you accountable
- We need to strengthen one-another
- It is now the time to lay down our life for someone else
- We are quick to ask God to touch us but when are we going to fight for someone else's destiny
- If you are alive for self you are weak but if you are alive for God, you will become unshakable and unshakeable

- We many times make our marriages and family priority and we do not give our lives to God as we are supposed to
- **If you are two, you have the power of ten thousand**
- Stop looking for excuses and start doing something for God
- Jesus paid the highest price for your life
- He did not pay a price for something weak or that nothing must happen
- We need to use our tongue to speak because the Word says that life and death is in the power of the tongue
- Intercession brings change in the city
- Your prayer in the morning sets your day up for God but if you are silent in the morning the enemy has the power to rule
- Silence brings a voice to the enemy
- When God spoke He brought things into existence and it continues even to this day
- We carry that same power on the inside of us
- Use your mouth, your tongue
- We have the authority
- When the prophet came to a city the city repented because they knew the prophet carried the authority of God
- God calls us and labels us a co-labourer with Him
- Your labour needs to be for God first
- We need to fight to spend time with God
- God did not call us for a comfortable life, He called us to labour in our spirit and seek His face early in the morning
- Hear what God has to say to you for your day
- It is the greatest privilege to be a co-worker with Christ and to be an instrument in God's hands
- People think they do God a favour to come to church or to take up responsibility
- It is a tremendous privilege because there are millions of people who does not even know God
- We can enjoy His power and His provision
- God will lift you up and bless you but do not hold onto the hand of God, hold onto the heart of God
- Many people make the mistake when they are blessed by God to think that they do not need to pay a price for God anymore
- We cannot think that we are great, only God is great
- It is not a burden to be a shepherd, it is a platform that God has given you where He wants to use you
- God wants to use you mightily to set people free
- God does not look at what you have together but God looks at your heart
- The light starts here but it needs to move into the city and into our workplace
- That what you have received needs to carry on throughout the rest of the week
