

Pastor Wentzel**Psalm 23:5**

You prepare a table before me in the presence of my enemies. You anoint my head with oil, my cup overflows

- In the presence of God the plans of the enemy is broken down before the throne
- Lord give us a new mind
- We need to have the mind of Christ
- Trust God for new things
- Ask God to anoint your head with oil - refreshing oil

Pastor Phillicia

- God says we are coming to a place of the new wine
- We are trusting God for church unusual
- God's presence is so real
- We need to open our hearts for God to enter and to do the unusual, to refresh us
- We are living in the day of the supernatural

Pastor Richard Reddy

- Team leadership
- A team leader is someone who provides guidance and instruction that brings about an achievement for key results
- There is an alignment for the assignment
- God wants to bring alignment in that what He wants to do through team leadership

Proverbs 24:3-4

By wisdom a house is built and through understanding it is established, through knowledge its rooms are filled with rare and beautiful treasures.

- Everyone is a potential leader in your schools or workplace that can bring some influence or direction
- We need to have an understanding of the vision, accepting guidance and interpreting instructions
- We need to know when the Holy Spirit is speaking what is the frequency of instructions
- There is a sound released and you need to catch that frequency
- We need to hear what the frequency of heaven is and understand what the Holy Spirit is saying
- Get understanding. Stand under God to get understanding. Submit to the Holy Spirit
- In a dream I saw that we were standing in a dam and fresh water was flowing but the people standing around did not understand the power of the current that was there and they were holding back the flow of the water and if the water would suddenly break out they would be caught off-guard
- There is a mighty rushing river flowing through
- It translates to the mighty move of God in this Spiritual house
- There is a mighty move of the Holy Spirit in our midst and we are in the midst of what God wants to do
- The direction of water was pointing to the North, with the water behind us moving forward
- When the water comes we need to know where our position is
- All of us need to be aligned for the assignment
- WISDOM – to be wise through inspiration of the Holy Spirit

- We all need the wisdom, knowledge and understanding of God in whatever we are building
- The devil is subtle in his approach and if he can push us away from being wise through the inspiration of the Holy Spirit, he will defeat us on our own ground but when God gives us wisdom we are able to build the house of God and be able to leave a legacy for the next generation
- **Wisdom builds the house and through understanding it is established and knowledge fills up the house and we are able to move forward through God's grace**

Psalms 23:1

The LORD is my shepherd, I lack nothing.

- Every need that you have shall be met in the name of Jesus
- All you need to do is keep meeting with Him
- **God will supernaturally meet your needs because you are meeting with Him**
- The Bible says: "surely goodness and mercy will follow me all the days of my life"
- God will not leave us neither will He forsake us. He will be with us until the end of time
- When we begin to release the Word of God into the city we will shut down the powers of hell and darkness
- Corruption are being shut down by the voice of the church
- We need to raise up our voice to become a voice in this nation
- From Germiston to Pretoria will never be the same again
- We are crossing over to take over

Joshua 4:13 – 24

About forty thousand armed for battle crossed over before the LORD to the plains of Jericho for war. That day the Lord exalted Joshua in the sight of all Israel and they stood in awe of him all the days of his life, just as they had stood in awe of Moses. Then the Lord said to Joshua, "Command the priests carrying the Ark of the Covenant law to come up out of the Jordan." So Joshua commanded the priests, "Come up out of the Jordan." And the priests came up out of the river carrying the ark of the covenant of the LORD. No sooner had they set their feet on the dry ground than the waters of the Jordan returned to their place and ran at flood stage as before. On the tenth day of the first month the people went up from the Jordan and camped at Gilgal on the eastern border of Jericho. And Joshua set up at Gilgal the twelve stones they had taken out of the Jordan. He said to the Israelites, "In the future when your descendants ask their parents, 'What do these stones mean?' tell them, 'Israel crossed the Jordan on dry ground.' For the LORD your God dried up the Jordan before you until you had crossed over. The LORD your God did to the Jordan what he had done to the Red Sea when he dried it up before us until we had crossed over. He did this so that all the peoples of the earth might know that the hand of the LORD is powerful and so that you might always fear the LORD your God."

- We need to have team synergy and operate in a team
- We are the army of God and the Holy Spirit is our commander
- **God is here with us**
- **The power of the Holy Spirit is here with us**
- A command is an instruction and a form of communication that is released that brings the authority of a regulating framework which is the Word of God
- A command brings alignment and it directs us to the instruction that needs to be implemented
- A command does not mean that you are controlling
- A command pushes you to the assignment but it gives you accurate direction
- When you use a GPS you rely on the command of the GPS
- When a command is given out, we need to react on the command
- Whenever there is a strategic move, there needs to be a time of strategic planning
- Whenever you come before the Lord there needs to be a plan in your heart so that when He gives you instruction, you know how to execute it

Jeremiah 1:5

“Before I formed you in the womb I knew you, before you were born I set you apart, I appointed you as a prophet to the nations.”

- We came on the earth with a plan
- You need to unlock the plan inside your heart
- We will see the Holy Spirit move like a mighty rushing wind when we come together in team synergy

Joshua 4:13-14

About forty thousand armed for battle crossed over before the LORD to the plains of Jericho for war. That day the LORD exalted Joshua in the sight of all Israel and they stood in awe of him all the days of his life, just as they had stood in awe of Moses.

- The stature that was on Moses came upon Joshua and the people respected him as they respected Moses
- When the anointing of God begins to flow from the crown of your head to the sole of your feet, the stature that your parents carried will begin to rise in you
- God will begin to increase in your life
- Joshua aligned himself with the chain of command
- At a crime scene a chain of evidence is collected and there is a specific procedure to ensure that it is not contaminated
- Nobody can contaminate the seed that God has put in you
- Guard the seed with your life that no one can contaminate it with their opinion
- Every seed has a coat
- Through worship and prayer the seed is protected
- When the anointing of God is released the seed germinates

Joshua 4:19-23

On the tenth day of the first month the people went up from the Jordan and camped at Gilgal on the eastern border of Jericho. And Joshua set up at Gilgal the twelve stones they had taken out of the Jordan. He said to the Israelites, “In the future when your descendants ask their parents, ‘What do these stones mean?’ tell them, ‘Israel crossed the Jordan on dry ground.’ For the LORD your God dried up the Jordan before you until you had crossed over. The LORD your God did to the Jordan what he had done to the Red Sea when he dried it up before us until we had crossed over.

- Water is a fast flowing move but God held back the water for them to cross over on dry ground
- God used a previous testimony to show Joshua that he could do it again
- We are church unusual and we are getting ready to cross over to take over
- God spoke to Joshua in Joshua chapter one and He said to him: every place your foot shall tread, I have given unto you and when the waters were separated and Joshua walked through he broke the boundaries
- Wherever we move there will be a flow of water
- God is with us and He is holding back every territorial force
- We are coming as an army of the Lord and if the Lord is with us who can be against us
- The Bible says that out of your bellies, streams of living waters will flow
- The hand of the Lord speaks about an accomplished work – finished work
- We need to be given into the hands of God
- When the hand of the Lord is upon you no weapon formed against you shall prosper
- God is going to bring new ideas and inventions to the business people
- New wisdom, understanding and creativity

Deuteronomy 8:18

But remember the LORD your God, for it is he who gives you the ability to produce wealth and so confirms his covenant, which he swore to your ancestors, as it is today.

- God has given you the power to get wealth and He will give you new strategies
- We are the answer because of the wisdom of God
- The wealth is not just for us but to become an agent of change
- Circumcision of the heart is a very painful process
- There are things in our hearts that we need to deal with
- Don't run away from the place where God is dealing with you
- The house of God provides protection and provision
- Do not move away from the place of connection
- You are here for a purpose and a destiny
- Draw from God and push the devil out

Joshua 5:11-12

The day after the Passover, that very day, they ate some of the produce of the land: unleavened bread and roasted grain. The manna stopped the day after they ate this food from the land, there was no longer any manna for the Israelites but that year they ate the produce of Canaan.

- This was a promise coming into fulfillment and the next level of God
- They had to work the soil and produce something

Joshua 5:13-14

Now when Joshua was near Jericho, he looked up and saw a man standing in front of him with a drawn sword in his hand. Joshua went up to him and asked, "Are you for us or for our enemies?" "Neither," he replied, "but as commander of the army of the LORD I have now come." Then Joshua fell facedown to the ground in reverence and asked him, "What message does my Lord have for his servant?"

- Joshua worshiped to seal the seed inside of him
- Find the holiness in God, the place where you are wholesome in God
- Have discernment and know what is from God and what is your own plans
- Never procrastinate the work of enemy in your life, shut him down immediately
- The commander said to Joshua, "take your sandals off your feet"
- We need to rest in the presence of the Lord
- Characteristic of a prudent person
 - Wise in handling practical matters
 - Exercising good judgement and common sense

Proverbs 15:24

The path of life leads upward for the prudent to keep them from going down to the realm of the dead.

Proverbs 12:23

The prudent keep their knowledge to themselves but a fool's heart blurts out folly.
