

Praise and worship

- Make it your prayer for God to come and burn new life into your heart
- In God's presence all obstacles are removed and the mountains melt

Jeremiah 23:29

Is not my word like fire," declares the LORD, "and like a hammer that breaks a rock in pieces?"

- Declare that God is fire, God is a hammer
- God is present and He wants to touch our lives
- It doesn't matter what obstacles you have in your life, God can come in and break those obstacles because He is a hammer
- We need to touch the power of God
- God needs to be our focus
- When you look to God, God can step into your circumstances
- We need to declare God's Word over people's lives
- Pray for a breakthrough in your life, for God to burn down the obstacles in your life
- In God's presence all things are possible
- Pray for restoration and reconciliation
- If you can find it in the Word it is yours
- Don't take lightly God's presence
- God is not a respecter of a person
- God respects the Word that He releases over you
- When God looks at you, He sees His sons and daughters
- God can only respond to the people who receive His Word
- God wants to do something great in you

Word

- God's Word need to be taken up seriously, become a respecter of God's word and not your circumstances. God's Word is the highest authority

Isaiah 55:10-11

As the rain and the snow come down from heaven and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.

John 15:7

If you remain in me and my words remain in you, ask whatever you wish and it will be done for you.

- The desire that is according to the Word within us, that shall be done unto us
- We need to move from glory to glory
- We need to live a live according to the Word and not according to our perspective
- If you can find it in the Word, it is yours. We need to study the Word of God. The Word of God needs to become the authority and it must not be just information

Hebrews 4:12

For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow, it judges the thoughts and attitudes of the heart.

- God's Word is powerful and sharper than a two-edged sword
- We need to be careful that we do not become religious by receiving the Word as mere information
- When you receive His Word you receive God Himself. The Word needs to be a revelation of Him
- The people in society today are informed but there is no life in them
- The downfall of people will be if they receive the Word as information
- We need to receive the Word as a revelation then you will encounter the Life of the Word

John 1:1

In the beginning was the Word and the Word was with God and the Word was God.

John 1:14

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

- We cannot look at God the way we look at ourselves
- Everything God says is the embodiment of who He is. When God speaks to You it is God himself that steps into your life. When God speaks about His attributes He speaks of who He is. The word is God and God is the word. We need to start receiving the word as God
- God wants to break all the things in your life that is not from Him
- God created us first of all to worship Him. God wants us to worship Him like never before
- There is nothing more important than worship

In Worship there are 3 things

1. Revelation
2. Proclamation
3. Manifestation

- Worship God in spirit and in truth
- God is on the throne, the Word is on the throne. We need to worship God (Word) around the throne
- **When we worship God the Word becomes revelation to us**
- In the realm of worship you receive the Word as revelation and not information
- When we worship we speak to God and not of Him. We need to know God intimately
- **We need to proclaim what God reveals**
- We need to take hold of the Word God releases and proclaim that
- **When the Word of God is proclaimed that is when God can step in and that Word can manifest what it is called for**
- We are partners with God, we are not the ones that cause the manifestation
- God manifests what is proclaimed
- Worship is important because our mind cannot touch the realm of God
- We need to align ourselves with God
- God is favour: so when God says His favour will surround you it means that He will surround you
- We need to join the heavens and worship around God's throne
- When God's Word gets proclaimed then it is done because God's Word will not return to Him without fruit
- We need to make the change in our lives not to receive the Word of God as information but as revelation
- Thank you Lord for the authority that is in our lives
