"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose and the winds blew and beat against that house, yet it did not fall, because it had its foundation on the rock.

Two Principles

1. What is your foundation in your life?
 - The better the foundation the better your life
 - Is your foundation your own idea and mind-set, possibly your finances or job?
 - If your foundation is not strong everything that you build on it will fall when the circumstances come
 - The enemy will attack you on all departments
 - Storms will always come your way
 - A strong foundation will ensure that you always remain standing. All depends on your foundation. Build your life on Jesus Christ, He is your foundation
 - Who is Jesus in your life?
 - God sent His son to role model first and to die for you
 - You are an overcomer because Jesus Christ is and was an overcomer
 - Jesus is the only rock you can build your life on
2. Become a follower of Jesus Christ
 - Following Jesus means follow Him everywhere especially in scriptures
 - Believe the Word in your life and start to speak and pray the Word

Like newborn babies, crave pure spiritual milk, so that by it you may grow up in your salvation,

- Jesus is no longer a baby in the manger or hanging on the cross. He is victorious, sitting next to Father interceding for us
- **You need to crave spiritual food like a baby crave for milk**
- As the baby drinks milk multiplication takes place and that baby grows
- **We need to crave Spiritual food**
- It will bring growth in your life
- We don't have because we don't ask
- Honour your father and mother is the first principle of having a prosperous life

2 Peter 3:18

But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.

1 Corinthians 3:10

By the grace God has given me, I laid a foundation as a wise builder and someone else is building on it. But each one should build with care.

- It is your responsibility how you are building your spiritual life
- You need to build accurately according to His Word
- God does not care about your opinion
- God value His Word more than His name

Psalm 138:2

- The enemy want to steal the joy of God from you
- If you apply the wrong things it will cost you your life
- Doing your own thing will find you in trouble
- Some people invest in growing their money and keeping them away from God
- **Are you putting God first in your life?**
- Only God's way can be fruitful in your life
- We need to stay with the Word
