

**Worship****Numbers 23:19-20**

*God is not human, that he should lie, not a human being, that he should change his mind. Does he speak and then not act? Does he promise and not fulfil? I have received a command to bless, he has blessed and I cannot change it*

- God has spoken and He will do good, for His name sake
- His love and kindness endures forever
- God is about to move in our nation like never before
- God is about to do good things, do not look at your circumstances and people's opinions
- Trust in God this morning
- God is faithful, He will intervene

**Jeremiah 31:10-13**

*Hear the word of the Lord, you nations, proclaim it in distant coastlands: 'He who scattered Israel will gather them and will watch over his flock like a shepherd.' For the Lord will deliver Jacob and redeem them from the hand of those stronger than they. They will come and shout for joy on the heights of Zion, they will rejoice in the bounty of the Lord— the grain, the new wine and the olive oil, the young of the flocks and herds. They will be like a well-watered garden and they will sorrow no more. Then young women will dance and be glad, young men and old as well. I will turn their mourning into gladness, I will give them comfort and joy instead of sorrow*

- God is restoring and releasing His goodness
- Rejoice in the Lord

**Word****Mark 14:38**

*Watch and pray so that you will not fall into temptation. The spirit is willing but the flesh is weak.*

- Watch means see. God wants you to see, He wants to open your eyes. It's important what we see and hear in this day
- When we hear the wrong thing, we will believe the wrong thing
- The problem is that we are many times influenced by our senses
- We cannot be led by fear
- God wants to touch our eyes and our ears
- God wants us to see it the way that He sees it
- If you see wrong you react wrong and then you will do and speak wrong
- **It is not important what you see but how you see it**
- We need to distance ourselves from what we see, we need to believe in how we see it
- Ask God to open your eyes
- God is seeing South Africa going to the next level
- **It's not what you see but about how you see it**
- Ask God to show you what He wants you to see
- We need to see through His eyes
- God wants to teach us how to respond
- Our response need to be based on the Word and not the flesh
- Our first response should be to pray
- The Word is Jesus and the moment that we pray the Word, He will manifest

- When God opens our eyes we will see that those who are for us is much greater than those that are against us
- **God is looking for a reaction, He wants us to pray the Word**
- Allow God to touch your eyes, see your business, marriage, etc. through His eyes
- God is looking for people with the Word in their mouths. The Word is a two edged sword

### **Hebrews 4:12**

*For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow, it judges the thoughts and attitudes of the heart.*

- God is for us and not against us
- He is a Father that wants to touch our eyes
- God wants us to make it a habit to release the Word of God in every situation
- How can the church think like the rest of the world, we are the light and the hope
- We need eyes that will see behind the scenes, that will see the hidden things of God
- God will turn everything around for the good of His people
- God is looking for the few that will stand in righteousness
- When God wanted to destroy Sodom and Gomorrah, He would spare the city if He could find ten righteous people in the city
- God has a church that is righteous why will He not save this nation?
- Put your hand on your eyes as an act of faith and ask God to open your eyes
- Let us not be led by our emotions but from the place where God sees us

### **Psalms 119:18**

*Open my eyes that I may see wonderful things in your law.*

- It is time for us to cry out to God
- We are men and woman of faith, we are children of God
- Faith supersedes intelligence and logic
- Noah saw what God wanted Him to see and built an ark when they did not know rain
- It does not make logic sense in the natural but in the supernatural God will show you more
- Faith takes you into the realm of God beyond intelligence
- God is about to do extraordinary things
- People do not have the answer
- We need to come in agreement with the Word
- Wonderful in Psalms 119:18 speaks of awesome, supernatural and wondrous things only God can do
- The power is in the Word
- We many times see black and white (races) but God sees a nation

### **Prayer**

- God sees faces and not races
- We are a house where everyone is welcome
- South Africa is called the rainbow nation

### **Romans 10:11-13**

*As Scripture says, "Anyone who believes in him will never be put to shame." For there is no difference between Jew and Gentile —the same Lord is Lord of all and richly blesses all who call on him, for, "Everyone who calls on the name of the Lord will be saved."*

- God is there for all who call on His name
- This house will set the example for this nation
- God wants to pour out His richness onto this nation

- We will unite with one another
- God wants to shut down every division in this nation
- Call on the name of Jesus
- We need to pray that God will open the eyes of the church
- The church is the light and the hope, creation is waiting for the sons and daughters of God
- We need to ask for revival
- Revival is not for the world first but for the church and the church will take it out into the world

***Isaiah 44:3***

*For I will pour water on the thirsty land and streams on the dry ground, I will pour out my Spirit on your offspring and my blessing on your descendants*

- God will revive every dry bone in the church and pour out His living water
- He is about to do great and mighty things
- Ask God to pour out His revival and His water over the church of South Africa
- Ask God to pour out His living waters over your life
- We need to cry out to God in desperation
- We are expectant for new things and greater things

**Hebrews 6:19**

*We have this hope as an anchor for the soul, firm and secure. It enters the inner sanctuary behind the curtain,*
