### Word

### 1 Chronicles 14:11

*So David and his men went up to Baal Perazim and there he defeated them. He said, "As waters break out, God has broken out against my enemies by my hand." So that place was called Baal Perazim.*

- There is a breakthrough DNA in you
- It does not matter what is around you, know that there is something greater on the inside of you. There is life on the inside of you
- If God is for you, who can be against you
- There is a DNA on the inside of you that is programmed for greatness
- He said it is finished and it is done
- What you carry is life, a Godly DNA and a breakthrough Spirit
- Mix what you carry with faith - you need to stir it up
- You need to encourage yourself in the Lord
- There is a breakthrough Word and Man on the inside of you
- His name is Jesus and at His name every knee must bow
- There is an enemy in your life that you need to conquer
- We need to arise because there is a breakthrough Spirit on the inside of us
- The Lord on the inside of you wants to break your enemies by your hand
- He wants to break your enemies like the bursting forth of many water. The breakthrough capacity in you is like a bursting flood
- Nothing can stand against a flood
- It is not who you are or think but what He is in you
- There is a Lord on the inside of you and He is the Lord of the breakthrough
- He wants to do it by your hand
- You need to partner with Him
- Stir up the breakthrough Word on the inside of you
- There is something that you need to do on your part
- Your Goliath can be finances or fear but you need to confront it
- Take action, pick up your sword and your five stones

- As you release that stone, a breakthrough flood will destroy your enemy
- **The Holy Spirit is always attracted to the Word in you**
- The Word says that: “You shall receive power when the Holy Spirit comes upon you”
- He cannot come into an empty heart and head
- When God was about to create the world the Holy Spirit was hovering over the earth
- The Holy Spirit was waiting for the Word. When God spoke the Holy Spirit gave form to the Word of God
- There is a breakthrough creative Word on the inside of you
- God wants you to meditate on the Word
- The Word needs to be at the center of your life
- When your heart, soul and spirit becomes impregnated with the Word, that Word starts to grow
- When you mix the Word with faith it will grow on the inside of you
- David didn’t take five stones because he was scared he is going to miss, he took five stones because Goliath had four brothers and he was ready for them
- It was not about the stone in his slingshot but it was about the Word in his spirit
- He had a breakthrough Word on the inside of him
- The army was paralyzed because of the lying word that was released by Goliath but David carried a stronger Word on the inside of him. He knew the Lord of the breakthrough was on the inside of him
- When he took action the enemy came down
- **It is time for our enemies to come down**
- When the Holy Spirit gets involved with the Word, your enemies will be broken like the breaking forth of many waters
- The Holy Spirit is so attracted to the Word that when the Word comes alive in you the Lord of the breakthroughs will begin to rise. When you carry the Word the Holy Spirit will make it alive on the inside of you

### **John 7:38**

*Whoever believes in me, as Scripture has said, rivers of living water will flow from within them.”*

- The Holy Spirit is going to visit and fill us like never before
- It will be like the bursting forth of many waters
- The Lord of the breakthrough is on the inside of you but the Lord of the breakthrough wants to **break through**
- There is no rivers on the surface of the desert but the people living in the desert will take a hammer and break through the rock

### **Jeremiah 23:29**

*“Is not my word like fire,” declares the Lord, “and like a hammer that breaks a rock in pieces?”*

- The Word is like a hammer that breaks through every rock
- There is something that we need to do
- The bursting forth of the water is the Holy Spirit but it needs the Word
- Sometimes in our lives we want to sit passively and wait for something to happen but God wants you to partner with Him
- You need to take the Word and start digging
- This desert dwellers will take a hammer and dig a well in the desert through the rock and when they reaches water they will take ownership of that well
- That well can sustain the family but it cannot break forth
- That person’s neighbour will then also begin to dig a well for himself but yet there is still not a breaking forth

- The Lord of the breakthrough wants to not only break out in the individual's life but he wants to step into the city
- Again, the next neighbour will also dig a well for himself and still there is not a breaking forth
- In so many Christians' lives we get that they dig their own personal wells
- The people will start to dig towards one another and when they reach each other then suddenly water begin to gush forth and flow
- Then we see that the water is sustaining an entire village
- There is growth and increase because the river is flowing
- **The Lord of the breakthrough will destroy our enemies like the breaking forth of water**
- God wants to establish a corporate victory
- We cannot be a river by ourselves
- When water begin to flow from every individual we become a river and no longer a well
- That river will destroy every corporate enemy
- The Lord of the breakthrough does not just want to manifest Himself individually He wants to manifest Himself corporately
- We have a responsibility to take action and dig the well
- If our souls does not become crushed by the Word, that well cannot break out
- In our hearts and souls there are things that holds the water
- When we allow the Word it will break the rock. Fresh living water will begin to spring up
- When every individual starts to do that we see that the river starts to flow
- We want to change others but we need to start to change our lives
- Come in alignment with the person next to you
- He wants to give each one of us a personal victory but we need a corporate victory to have personal victories
- God wants a river to flow
- He wants the city to be reached and touched
- When the river begins to flow you will also benefit from it but more important the whole city can enjoy it
- **The Word in you is a breakthrough Word**
- You need to take responsibility for that Word that is released in you
- Allow the Word to crush every rock that prevents the river to flow
- When we believe in the Word the river will begin to flow
- Dr. Suzette Hattingh has success because when she enters a nation, she looks for a church that has dug a well and then they connect together and the water begins to flow
- The Spirit of God is going to come and visit us and water will flow
- Revival is coming
- We are going to encounter God because the Lord of the breakthrough is on the inside of us
- Take responsibility and crush every rock
- **The Holy Spirit is attracted to the Word**
- It is time to meditate on the Word and find your purpose
- Allow God to break out in your life
- All the wells will come together and begin to flow like a river
- Make sure that your well is clean in order for the water to flow
- When water stand still for too long it becomes diseased
- It is our responsibility to ensure that our wells are clean
- That Word in you is a breakthrough Word that has its own potential
- You just need to hit the Word again and again until it destroys every rock in your life and water starts to flow. That Word is Jesus
