Theme 2019

Living under an open heaven

Spirit without measure

Isaiah 59:21

“As for me, this is my covenant with them,” says the Lord. “My Spirit, who is on you, will not depart from you and my words that I have put in your mouth will always be on your lips, on the lips of your children and on the lips of their descendants—from this time on and forever,” says the Lord.

- His Spirit is on us and His Word is in our mouths
- We have seen the intervention of God this year in our lives
- Everything in your life is an important ingredient for the future
- God will make all things work for the good for those that love Him
- 2019 is ahead of us but God has not changed His mind towards us
- He is saying that we are under an open heaven and He wants to pour out upon us a Spirit without measure
- God is not looking where you are at, He has decided what He wants to do and He wants us to come up
- Align to the Word of the Lord
- It does not matter what happens to your right or to your left, the truth is that God is beside us, behind us and before us
- The Word of God that is like a hammer that break every rock will break open new ground in your life
- The Word will break new ground in your soul, spirit, family life, marriage, relationships, business, career and most of all your walk before God
- The Word will break everything that holds you and keeps you
- God will confirm Isaiah 59 in our lives – He will come with signs and miracles
- Everything that the Word breaks open, the Holy Spirit will confirm it with power
- God has given us time for a reason and He wants us to understand the time and in time, redeem the time and take hold of the Word and bring it into time
- It is time for the Word and the Spirit to break out of our lives like never before
- There is nothing as powerful as the Word and the Spirit
- When the Word is released the Spirit is ready to come
- Take hold of the Word like never before, what is God saying to us now
- Allow the Word to find entrance in your life, soul, family, etc.
- 2019 will be a year of great encounter, great outpouring where the Holy Spirit will surprise us in an unusual manner
- The Spirit of God cannot rest on an empty head, therefore get your head and heart filled with the Word because the Spirit can only respond to the Word
- God wants to raise a standard against the enemy
- Stop listening to wrong words but listen to the Word for the Spirit to be poured out upon your life
- 2019 will be our year because we know it is God’s year
- God wants to do extra ordinary things, we need to encounter a Spirit without measure

Focus

- The Word and the Spirit will bring a renewed focus over our lives
- There is a picture of an eagle on the new calendar for 2019
- One of the great attributes of an eagle is that they have tremendous focus

Isaiah 40:31

But those who hope in the Lord will renew their strength. They will soar on wings like eagles they will run and not grow weary, they will walk and not be faint.

- The eagle is a prophetic representation of Christ
 - When we grab hold of the Word and the Spirit, God will bring that renewed focus
 - When we see an eagle on television catching it's pray it seems like minutes because they show it in slow motion but in actual fact it takes seconds
- a. Focus produces power
- When an eagle catches a snake, he swoops down on the snake with focus and power and catches the snake in his claws and immediately takes it back into the air – it does not fight the snake on the ground
 - Once in the air, the snake has no more power
 - God wants His people to have tremendous focus
 - When the enemy comes, God will give us the power to take charge over that situation
 - We need to take the situation up
 - When you are not focussed you do things your way but when you are focussed you do things God's way
 - Take your circumstances and battles up, settle your things in heavenly places. God has seated us in heavenly places
 - Stop dealing with your situations in the natural
 - Focus produces power and it allow us to stand before God and present our situations before Him
 - **God does not want you to engage with battles, He wants you to engage with Him**
 - When there is a battle, take the battle up then the battle becomes the Lord's
 - An eagle is vulnerable on the ground
 - You are an eagle – rise up
 - It takes focus to stay connected and in the will of God
 - The enemy wants to constantly distracts your focus
- b. Focus is single mindedness
- God cannot work with a double minded person
 - You cannot think positive and negative at the same time, we need to have a single mind
 - Allow God to touch your life, allow God to bring about a renewed focus
 - Open your heart for that what God want to do in your life
 - You cannot do great things with a double mind
- c. Focus produces momentum and acceleration
- When your focus becomes distracted, you lose momentum and acceleration
 - In the natural we want to rest and go on holiday
 - Grab the Word in your spirit and grab it today – the way we go out today is the way we will go into the new year
 - God has an appointment with us today and He wants us to walk out uplifted in our spirit and with a renewed focus
 - God will give us a focus that produces momentum and acceleration

- What normally takes us a year will take us a month and what took us a month will take us a week, etc.
 - God is looking for a people that will have focus
- d. Focus produces determination and endurance
- Nothing will detour you because you will be determined
 - When you are focussed you will not get distracted by circumstances because there is a focus that produces determination and endurance
 - The Word and the Spirit is bringing about a determination
 - Pain is a good thing because it produces character
 - Pain should make you better not bitter
 - We will be determined to do and fulfil what God has set before us
- e. Focus brings about objectivity and gives us the fuel to accomplish our objectives
- If there is no focus there cannot be an objective
 - When there is focus there is fuel to accomplish that objective
 - We will have an assignment and will accomplish the assignment before us
- f. Focus causes the water level to rise
- The water level speaks of the spiritual environment that we carry
 - It is the dimension of God that we carry

Ezekiel 47:3-5

As the man went eastward with a measuring line in his hand, he measured off a thousand cubits and then led me through water that was ankle-deep. He measured off another thousand cubits and led me through water that was knee-deep. He measured off another thousand and led me through water that was up to the waist. He measured off another thousand but now it was a river that I could not cross, because the water had risen and was deep enough to swim in—a river that no one could cross.

- Ezekiel was focussed - measure a 100 yards – ankle deep, knee deep, hip deep and then he had to eventually swim
- Declare this over your life that God's water will rise over our lives
- Focus allows the water level to rise
- We see in the Word that when demons are cast out, they are sent to waterless places – they are sent to a place where there is no spiritual environment
- When the water in your life becomes shallow the enemy gets an open door over your life
- It is in a place/state of dryness that the enemy can attack you
- Focus on God will allow the water levels of God to increase in your life
