

### Worship

#### **Isaiah 40:31**

*but those who hope in the Lord will renew their strength. They will soar on wings like eagles, they will run and not grow weary, they will walk and not be faint.*

- Open your wings in the spirit and begin to rise
- God's desire for you is not to stay on the ground but to arise
- This year is going to be God's year and your year
- God is the same: yesterday, today and forever
- Say YES to Him

### Word

- Jesus was the greatest move of God
- God became man and walked on the earth
- Jesus breathed on you

#### **Acts 17:28**

*'For in him we live and move and have our being.' As some of your own poets have said, 'We are his offspring.'*

- God left something through Christ to us
- We are the next move of God
- Many of us are waiting for the move of God but God is waiting for us to move
- When Jesus moved things happened, because He was the constant move
- God gave us a key, Christ is the key – He is in us
- I saw eagles this morning on the ground, then they said I do not belong on the ground, let me begin to open up my wings. They took a step and the move of God activated on the inside of them
- Open your wings and fly
- You do not belong on the ground, you are a son and a daughter of the King
- The move of God is on the inside of us, we will have to learn that Jesus is in heaven and God is declaring that we are the next move of God
- Christ lives in you and you in Him
- God did not call us to gather but with an assignment and purpose
- You are where you are because you are the next move of God
- If you do not realise that you are the move of God, all you will be is religious
- We are gathered in this place for God to move in and through us not to be comfortable
- He wants to give us a new mind and a new heart
- I am a move of God because Christ is alive in me.
- What Christ did on the earth need to continue through us
- Shake off your insecurities and refuse to be stuck in religion
- God wants to move and for God to move you need to open your heart
- Do not suppress and oppress what He wants to do in you
- Whatever you do, mix it with faith in order to get God's attention
- Like David you need to set the move of God into motion on the inside of you

## **Psalm 42:5**

*Why, my soul, are you downcast? Why so disturbed within me? Put your hope in God, for I will yet praise him, my Savior and my God.*

- Jesus was the greatest move because He was open
- Give yourself over and allow God to move through you
- There are new things that God wants to do in our lives
- We are the move of God to the surrounding areas
- God wants to move
- He wants to do new things through you
