

IN THE WAITING OUR FAITH ARISE – WE ARE EAGLES

Pastor W du Plessis, 10 February 2019

Isaiah 40:31

but those who hope in the Lord will renew their strength. They will soar on wings like eagles, they will run and not grow weary, they will walk and not be faint.

- To wait means to pierce and to rise
- God wants to transform you in an amazing way
- We have said that if you wait upon the Lord the Holy Spirit becomes active in your life
- If you are not piercing through and waiting on God, then you will lose what God wants to do in you and through you
- When you wait on the Lord, the Holy Spirit becomes so active in your life
- A child of God cannot be powerless but needs to be powerful
- Say to yourself: "I am a child of God and I am powerful because God is on the inside of me"
- When you wait on the Lord, the power of the Holy Spirit becomes activated on the inside of you
- This power produces purpose, passion and the ability to prevail
- Even if the enemy comes in like a flood the Lord will raise up a standard against him and you will rise and conquer
- It is the power on the inside of you that allows you to prevail
- When the power of God is activated on the inside of you, you will possess and take territory
- Its not time for you to go backwards but it is time for you to go forward and push
- God has more in store for you
- When we wait on God, the Holy Spirit becomes active over our lives and **faith** becomes activated on the inside of us
- When I wait on God, the Holy Spirit becomes increasingly active over my life
- Faith will be activated more and more over your life
- Your faith is the make up of your mentality, of how you perceive things and what you carry in your heart
- It's your believe system and how you see God and also yourself
- When we wait on God, He begins to activate a God type of faith that brings about a tremendous transformation
- The scripture says: "*but those who hope in the Lord will renew their strength. They will soar on wings like eagles*"
- We need to make a decision whether we are an eagle or a chicken
- Your believe and mentality will be confronted as you wait on the Lord and a transformation will start to take place
- You are transformed from a chicken mentality to an eagle mentality
- You are not meant to walk around on the ground and look for worms
- God didn't call you to be a chicken, He called you to be an eagle
- That believe can only be formed when you and I understand that God is calling His church to wait on Him
- God sees potential and an eagle in you
- You are God's son and daughter and you are meant for the highs not the lows
- Your life will soar higher and higher
- You are seated in heavenly places
- You are not meant to be at the bottom you are meant to be at the top
- The heavens are made for the eagles

Ephesians 2:6

And God raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus,

- Chickens cannot go there. You need to spread your wings. Only eagles can operate in the currents of the heavens
- We need to shake of the mentality of a chicken because we are made in His likeness
- He wants us to rise up as an eagle
- An eagle builds his nest in the high trees and mountains not on the ground
- May God establish you in the high places because He gives you authority over everything on the earth
- Don't look at yourself based on your defeats and your struggles. We all have circumstances but the Word of God is true
- Allow God to shift your believe system. God will make you to find rest in high places
- In God there is rest because He is the one taking you higher
- Wait on God and allow Him to transform your believe system
- **Eagles constantly supercededs the law of gravity**
- The law of the flesh will not hold you
- You are governed by another law and that is the law of the Spirit and that law will take you up
- May you be governed by the law of life and the law of the Spirit
- **An eagle can look directly into the sun without being disorientated and distracted**
- You are not meant to be disorientated you are meant to fly
- Your perception will change because you have a bird's eye view
- You are called for a higher purpose and a higher calling
- God wants to give you insight and He wants to give you foresight. He wants to change your perception
- You are not stuck
- Allow God to shift your faith
- Let your most embarrassing moment become your greatest opportunity
- Eagles are majestic animals and everywhere they fly, people look
- Eagles have influence
- **Eagles fly into the storm and rise above the storm**
- You cannot think the same anymore
- Don't let your defeat define you
- When you are in a storm, open your wings and allow the currents of the storm to take you higher and above the storm
- **An eagle is loyal** – they have one partner for life
- Remain faithful and stay connected
- Allow Him to shift something in your mind and character
- Even if you make mistakes, repent and allow God to shift you
- A rooster has many hens but an eagle is loyal, he is connected
- Allow God to build that character in you
- **An eagle has the capacity to pick up a weight greater than himself**
- You will carry something greater than yourself
- **An eagle will not go hungry** because they have the ability to cross territories and boundaries
- They will even go down on a carcass and eat from what they have not killed
- God is our provider and you will never be without provision. Your cash flow will not dry up
- It is time to chase away the vultures
- You will reap where you have not sown
- An eagle is unique, so rise up in your uniqueness

- They have a choice either to renew their strength or to die. You have a choice to hold onto or let go of weakness. If we grab hold of God and wait on Him He will renew our strength but you need to make that choice
- Let go of weakness
- You are not a chicken
- Be reminded of who you are
