## THE LIFE (THE HOLY SPIRIT) OF GOD ON IN THE INSIDE OF US

Senior Pastor W du Plessis, 17 January 2021

---

- We need to live by the Spirit and we need to know that we carry prevailing power in our spirits
- God has redesigned our spirits with perfect love
- There is no fear or limitation in our spirit
- Our spirit is recreated and reborn by the very life of the Holy Spirit
- We unfortunately many times live by what we feel and our senses but God is challenging us to live by the Spirit – To live by what is on the inside and to live from the inside out
- God have touched your spirit with eternity, an indestructible and unstoppable life
- We need to rise in our spirits more than ever and to understand that we are carrying the Holy Spirit, the very life of Jesus Christ on the inside of us
- We as people of God need to step out with a different approach and a different perception
- We cannot live by our minds but we need to live by the Spirit
- For us to touch higher ground and to be graced to soar into new heights it is going to be vitally important to live by the power of the Holy Spirit on the inside of us
- As we live through the Holy Spirit we are going to touch higher ground and we are going to soar into much greater heights that what we could have thought off
- Your future is bright because God has put something in your spirit that is eternal and that is life and life in abundance
- Rise in your spirit and do not make decisions on what you see and how you feel
- God has made us new and we need to live from that place that is new, the Spirit of God on the inside of us

### Three things that pertains to the life that God has placed on the inside of you

#### 1. There is no veil over your spirit

- The veil has been removed from your spirit
- Your spirit is free to see and to express
- There is no distance between you and God
- Your spirit can touch God in one moment
- Your spirit is not distant from the mountain of the Lord
- Your spirit does not carry the limitation of your mind and body, it is like the ocean, it knows no limitation
- There is no veil over your spirit, it can touch higher ground and be in the presence of God in one moment
- As we live by the Spirit we will live very different lives

#### **Psalms 84:5 (AMPC)**

*Blessed (happy, fortunate, to be envied) is the man whose strength is in You, in whose heart are the highways to Zion.*

- Your spirit is like a highway – there is no distance between you and God
- At an accelerated pace you can touch God because your spirit has become like a highway to Zion
- God can supernaturally do something in one moment and take you to higher ground

## 2. Your spirit has now become a recipient for the thoughts and mind of God

- Your spirit carries the capacity to translate the higher things of God

### **1 Corinthians 2:11 (AMPC)**

*For what person perceives (knows and understands) what passes through a man's thoughts except the man's own spirit within him? Just so no one discerns (comes to know and comprehend) the thoughts of God except the Spirit of God.*

- Through the working of the Holy Spirit your spirit is logged in to the mind and thoughts of God

### **Isaiah 55:8-9 (AMPC)**

*For My thoughts are not your thoughts, neither are your ways My ways, says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways and My thoughts than your thoughts.*

- God can drop the higher things into your spirit because your spirit has become a recipient for the thoughts and mind of God
- When the disciples through their nets out on the other side because they were connected to Jesus and they obeyed Him, they could not contain all the fish
- In this year 2021 as you understand that your spirit becomes a recipient of the mind of God, the thoughts and mind of God will be revealed to you and you will begin to respond to the thoughts and the mind of God and you will accumulate a harvest and God will grace you to soar into the new heights that He has for you
- The thoughts and plans of God that is higher than our thoughts and plans will begin to accomplish things in our lives

## 3. Your spirit carries the power to execute the will of God – To distribute and govern the plans of God here on the earth

- Your spirit carries that prevailing power to release and to execute, to do and to change what God wants you to do and to change in your everyday life

### **Galatians 5:18 (AMPC)**

*But if you are guided (led) by the [Holy] Spirit, you are not subject to the Law.*

- There are many laws today that wants to enslave us and that wants to subject us
- As we live by the Spirit we will have the power to supersede those laws
- The laws of sin, death, flesh, man and darkness that wants to bring limitation and defeat over your life will not govern you but you will be governed by the law of the Spirit and you will begin to distribute His plan and His will
- God has the solution for us – As we rise by the Spirit you will step into a dimension, from the inside out, that will allow you to execute life in your everyday walk and to break the limitations that laws want to place over you
- It is time for us to touch higher ground and to soar into new heights, the veil has been removed from you, you are a recipient of the mind of God
- By the Spirit, no law that is contrary to the will and plan of God can subject you
- May you break out in your health, your thinking, your business, your marriage, your finances, your family and every platform that God has placed you on
- God has deposited the very best on the inside of you
- You have received life and life in abundance
- You have received a Spirit of love, power and of a sound mind, a Spirit that will allow you to rise up, to break out, to touch God and to soar into the new heights that He has in store for you
- Don't allow any limitation to hold you, you are called for greater things, to rise into new heights as you touch God on higher ground
