

## DO IT WITH FAITH

Senior Pastor W du Plessis, 28 March 2021

- Whatever you do, do it with faith
- Whatever you do, add faith to it. Add faith to your work when going to work, business transactions, when playing with your kids, etc. When we allow to add faith to what we do, we allow God to intervene and allow Him to do what only He can do
- God respond to our faith
- We do so much out of habit or own understanding. God wants us to develop the focus, discipline and mindset to learn whatever we do, do it with faith
- Next week with the easter weekend we are reminded of the blood stain cross where Son of God hang for us. We are reminded of the altar, portal has been establish between heaven and earth where Jesus has taken our sin, poverty and everything that is a limitation in our lives. We need to look at it with faith. The reality of Christ, heaven, redemption, of our Father and His favour, becomes activated in our lives
- Don't just pray, pray with faith. Bring your offering with faith. Because God wants to intervene

3 reasons why the Word of God why it is important to do it with faith

### **Romans 14:23b (AMP)**

*...Whatever is not from faith is sin...*

- Sin here means to miss the mark. This is the season for you to hit the bullseye
  - God wants to great and extraordinary things in your lifes
  - When we add faith to what we do, we can't miss the mark. You will be free from the attack of sin
1. God wants us to hit the target
    - Days are gone for us to miss the target
  2. Whatever we do, do it with faith

### **Luke 18:17 (AMP)**

*I assure you and most solemnly say to you, whoever does not receive the kingdom of God [with faith and humility] like a child will not enter it at all."*

- Now the time to enter the Kingdom
- The hour is to work out His Kingdom, because His Kingdom is a Kingdom of - power, righteousness, life, love, joy, not of words but of demonstration, carries it own system of freedom
- We are sometimes so impacted by different systems. God has translated us through Jesus from the kingdom of darkness and place us in the Kingdom of Light
- The Kingdom of God must become greater, a reality and be activated in and through our lifes. God want us to live free and by a heavenly kingdom, heavenly rules and heavenly system so that we can break through and have dominion and rulership through Him on this earth
- Faith will allow us to break out from systems but will allow us to outwork our inheritance and enter the great Kingdom He has for us at the earth – heavenly liberty and freedom

3. To execute faith

**Hebrews 11:6 (AMP)**

*But without faith it is impossible to [walk with God and] please Him, for whoever comes [near] to God must [necessarily] believe that God exists and that He rewards those who [earnestly and diligently] seek Him.*

- When we believe Him, He Himself come to the scene and with fellowship whatever we do
  - Our priorities should be good, noble, acceptable and the good works we do must please Him. We can't do these things without faith or for the sake of doing it
  - Make the shift. Just don't do business with faith, do it with faith. Allow God to bring the reward of your faith. Don't do things religiously because its right, pray with faith
  - Do it with faith and allow God to walk with you in that process
- 
- Whatever we do it with faith, you will hit the target and manifest the Kingdom, God Himself will walk with you and intervene. He will be your rewarder
  - Faith with Him will set you up for higher grounds new heights
