

**Isaiah 2:2-3 AMP**

*Now it will come to pass that In the last days The mountain of the house of the Lord Will be [firmly] established as the highest of the mountains and will be exalted above the hills and all the nations will stream to it. And many peoples shall come and say, "Come, let us go up to the mountain of the Lord, To the house (temple) of the God of Jacob, That He may teach us His ways And that we may walk in His paths." For the law will go out from Zion And the word of the Lord from Jerusalem."*

- God did not permit pastor to move on from the theme that was released in 2021
- We as a church has not even scratched the surface or entered the introduction of what God wants to say to us with regards to "higher ground and new heights" and the dimension of what He wants to bring over to us regarding the mountain of the Lord
- God wants us to come up to the mountain
- God allowed the church to enter into something before it's time
- The world and the church age have a certain calendar but God has a different calendar and God allowed us to enter into something ahead of its time
- The apostolic authority that Pastor is connected with, released this Word about 3-4 months after he started to speak on what God is releasing: He said "The pathways of the spirit of the heavens is opening up for the church"
- God wants the church to be above and to understand that there is a pathway into the spirit that YHWH wants to lead us into and it reveals His Kingdom realm and His mountain of government and the life He has prepared for us in heavenly places
- Jesus came down to give us His Word, the finished work of the cross, the mysteries of the Kingdom of God and He has given us His Holy Spirit to find our way back
- He came down so that we can go up and find our way back and to walk through the door (the open the veil) in an ascended state into the secrets of the heavenly Kingdom
- God wants to give us the earth and the nations as an inheritance
- He has given the earth to man but it is the wrong hands and He wants to give it back to where it belongs
- Many children of God unfortunately want to leave the earth – they want to be raptured away for good because they don't understand God's heart
- God wants to appoint us on the earth as sons to rule the earth and to create a new heaven and a new earth
- The reality of death around us has programmed us that we will only see Him one day and come into this appointment – death has become the teacher of the church in so many ways
- But YHWH is saying to you, come up to My mountain because I want to teach you and give you My laws
- Death wants to tell you that resurrection and ascension into heaven is only possible when you pass through the grave
- Christ wants to tell you that resurrections and ascension into heaven is possible every day when you walk through the pathway of dying in Christ
- It is the time of the sons and the daughters of God to arise in 2022 and to rule from above - The earth and the nations have been given to the church as an inheritance
- We need to govern from the heaven and change the earth
- It is not God's intention to remove you but it is His intention to use you
- Many children of God wants to leave the misery of earth behind but YHWH wants us to do something about the misery and set creation free
- He wants us to live above to observe and participate in order to mediate and administrate all that He want to do from above

- His plan is not to remove us from the earth but to use us on the earth
- We need to position and engage our lives in the heavens above the sun
- We cannot make the earth heaven if we don't live in heaven
- Our assignment is the earth but our citizenship is the heavens
- God wants you above because He has assigned you in the lower so that you can change the lower from above
- We are before our time but you need to decide whether you want it sooner or later
- God wants to prepare you to come back to change the earth
- Enter into His rest now
- God wants you on the highest mountain. Higher ground, new heights

## **6 Points that you need to grab hold of in 2022**

### **1. This year as you come up to the Mountain of the Lord you will see a clear dividing line between a life above the sun and a life under the sun**

- There will be a clear divided line between flesh and spirit, between that what is perfect and that what is acceptable
- We are going to see that there is more for us. We have settled for second best for long enough
- There will be a clear line between what is below and what is above
- Jesus constantly said to His people "go up"
- There will be a clear line between corruptible and incorruptible
- Life under the sun has been infested by so much corruption
- Every day you need to make decisions and you cannot make decisions with the infestation of corruption anymore
- Corruption will ultimately bring you back into the cycle of death, defeat and decline
- God wants to give you the authority to rule above the sun and dictate things
- God wants to bring us in a cycle of increase, multiplication, blessing and enlargement but God cannot bring us into it if we want to think, speak and live like the world not knowing that God has provided a better way for us
- You will see a clear line, you are going to make better decisions, things are going to become better in your relationships, marriage, business, etc because you will have a clear discernment between what is corruption and what is pure
- Most of the wars that has been fought in the past was because of religion (men used scripture to start a war). You can use scripture to execute your corrupt agenda but the scripture cannot be corrupted – we can be corrupted
- This is why God wants us to be above – in order to live different, discern different and make better decisions
- Proverbs releases the word discretion – Discretion brings wisdom
- As we come up He is going to give us discretion that will protect the people of God
- God will give you discretion – the dividing line between what is in the upper and what is in the lower
- Not everything that is in the lower is bad
- The mysteries of God are in the lower and the secrets of God is in the upper
- The good and the acceptable will of God is given to us in the lower but the perfect and commanded will of God is given to us in the upper
- Let's go for the perfect will of God in this year
- Restoration is declared over your life

**2. This year you will ascend on the mountain of the Lord. He will allow you to observe, to participate, to mediate what comes from above**

- God wants to bring you into the upper so that you can observe
- Jesus said that He did nothing unless He saw His Father do it
- God will allow you to see the One behind the voice
- God is bringing you into a place where you will observe Him and where you will observe the activity of heaven because He has given you an assignment on the earth
- God is going to remove the veil
- You are an observer and you will observe what is above
- Get ready for encounter upon encounter
- Do not wait for the rapture you can be raptured many times a day and behold Him
- We only observe what we see and this is why the church is not taken seriously - We have nothing different to give to the world because we are not observers
- As observers we are going to become participators
- God is going to teach us to become kings and priests
- God has already given it and released it to you. You need to become desperate and take it
- You cannot get a different result doing the same thing. Break the wrong cycles in your life. You are a work in progress
- When the word comes to you Christ comes to you and the Spirit comes to you, respond and begin to engage with Him
- We are not about our own business we are about our Father's business
- This year God wants you to become an observer, participator and mediator of our Father's business
- Get ready for personal and private breakthroughs
- God will allow you to administrate breakthrough upon breakthrough in your life
- You cannot take someone where you cannot take yourself in Him
- God wants to bring tremendous growth and influence
- You are going to observe and then you will become a participator in what you observe and then you will mediate it into your life and as you mediate into your life it is going to manifest
- You have overcome him by the word of your testimony and the blood of the Lamb and that testimony will now become a powerful weapon to bring creation into His freedom
- What you come into is not really for you but it is for your Father's business and to be a blessing
- We are so powerless because we do not love ourselves. The Bible says: "Love your neighbour as you love yourself". God is love and as you observe Him and participate in that love it will complete you
- Get ready for influence and get ready to be a voice

**3. As you ascend the mountain of the Lord in 2022 your worship unto YHWH is going to be engaged in holiness and glory**

- You will know Who you worship because you will hear who you worship and you will see who you worship
- Without holiness it is impossible to see God but it is His work not your work
- It is not about who you are but who He is
- God is going to bring you into the realm of worship – you will engage Him and you will see Him
- Worship is a trade and a place of exchange. This is not done on your terms but on His terms
- You can never out-trade God or out-exchange God
- Do not be afraid to trade in your time, energy and your life
- When you worship Him, you will realise that you have no right to stand before God and say to Him what you want but you will stand before Him saying Lord what is it that you want?

- Do not come before God without your wallet, marriage, business, etc. because it is part of your life. You need to come before Him and trade in
- Like Abraham who brought his son and God said because you have not withheld your son from Me, in multiplying, I will multiply you and in blessing, I will bless you
- God is a covenant God, you cannot out-trade Him. Your little offering does nothing to Him but it does something to you
- God will work with our hearts because the issue of life comes from the heart

**4. As we ascend the mountain of the Lord in 2022, His mountain will become our dwelling place of unity - the commanded blessing will flow**

- Friendships and relationship built under the sun is subject to corruption and it is just a matter of time and it will fail
- We need to go beyond the relationship
- If you are here because of a friend you will also go when that friend goes
- Friendship is subject to frailty, corruption and offence
- Sometimes when you get hurt it force you to forgive and it forces you closer to God
- The problem is that the church wants to stay under the sun just liking one another
- God wants you to take your relationships up to the mountain
- We cannot make it without unity
- We are going to make it as an army
- 80% of the global church is at home because of hurt
- In the upper, God begins to weave our hearts together and He commands a blessing
- In Him it is not about our differences
- What God blesses no one can stop

**5. As you ascend on the mountain of the Lord in 2022 you will come into the future - you will mediate and frame your present reality into that future**

- Our greatest enemy is our past
- If you go back into the past you are embracing the enemy
- We live in the past and the past impacts our present
- God wants to bring a revolution
- He wants to revolutionize the way that you think and the way that you see
- We had some great times in the past but there is better in the future
- On the mountain we are going to see the future and the future will frame us differently
- You cannot spend time with God and stay the same
- We have a place on the mountain where we can see the future

**6. As you ascend on YHWH's mountain you will engage with His government - He will establish your mountain of government**

- He is the King of kings
- God wants to remove the chaos and establish peace
- The cycle of defeat and decline is not your portion, chaos is not your portion
- The moment He extends government, He extends peace and the chaos must shut down
- We are all mountains
- You must sow your mountain into His mountain and ask Him to renovate your mountain
- God wants to give you back a mountain of government
- People must be drawn to your mountain
