

- Do not wait for something to come from above - you are above
- You are the room and tent and when you say Lord pour out you are saying that God must pour you out
- God is going to show us who we are
- We were born for a time and season like this
- We are in the council of YHWH
- You are in more than one place – you are in the physical place but He has also placed you in the heavenlies
- In the council of three there is revelation - there is growth

- More and more we are going to realize who we are
- You are a gate
- Heaven is in you and you are in heaven
- As you ascend on YHWH's mountain, you will engage with His government and He will establish your mountain of government
- God wants you to engage with your mountain
- Out of the seed of government, Moses did not only ascend mount Sinai, he went into the mountain of the Lord
- God want you to meet on His mountain and then He wants to give you your mountain
- You are already operational on your mountain but you do not know it
- You have a business mountain, family mountain, personal mountain
- We have all moved on with technology. If you don't do it you will fall behind
- In God's Kingdom we want to stay where we were years ago
- We fight that what God wants to do now
- God wants to bring you into a technology that is going to thrust you forward
- For you to go forward you need to upgrade and update
- God wants you to partner with Him not on your conditions but on His conditions
- That is why He is saying: come up here
- Where you are now is not necessary where God wants you to be
- God wants you to enter into His realm where He will upgrade you
- God cannot work with religion because it is not Him

Ephesians 2:6 AMPC

And He raised us up together with Him [when we believed], and seated us with Him in the heavenly *places*, [because we are] in Christ Jesus,

- You are seated with Him – we are raised up with Him
- Do you feel raised up? Can you see you are raised up with Him?
- We don't see, we don't engage and have no relationship – all is like an information manual
- When you are seated with Him you take your seat of government with Him on the mountain – it is a partnership
- When Pastor was called up to the mountain of the Lord, he saw many mountains and God took Him to his mountain. On the mountain was a seat and God told him to take his seat on that seat but there was a dragon on the seat
- If you do not occupy your seat, the enemy has the right to occupy your mountain
- We are seated in the natural realm

- Your body is just as important to God as your soul and spirit body. God wants to quicken our bodies
- We take our seat here on the earth and everything that we do we do from there even when we connect with God
- We do business from that place and it is good but there is so much more
- It will keep us in the good and acceptable and will keep us in the 30/60 fold
- God has seated us in heavenly places in Christ
- You need to come up and engage with Him on His Holy mountain
- God wants you to see your mountains
- There is more than just taking your seat in the natural. God have already seated you!
- He is not waiting for a response before He will seat you
- God wants to give you the technology to work with it. The problem is we stay with what we know and comfortable with. God wants you to engage to bring into reality that what is not yet seen in your life
- Everything is given to you here in the lower for you to find your way through the blood and veil to come up and see you're your place
- As you take your place in heaven your natural begins to arc with the spiritual and begins to arc with God
- In the natural you find your self sometimes in the valley but when you are up there you have a bird's eye view
- Everything that you have engaged with up there can be outworked here on the earth
- If we don't learn to take our seat with God on the throne, we won't change
- When you have engaged with Him, you cannot wait to meet with Him again
- We have an amazing future – give your life
- As you engage with Him you learn to sort out your position – YHWH's provision will be attracted to you
- You are seated in the council of three – natural body, spiritual body and with God
- God has created a new living way for us
- Get out of religion – God wants a relationship
- God wants us to rule the earth but we are still struggling to make it in a month
- We try to build something but God wants to give you the nations as an inheritance
- God wants to bring you into an engagement with Him in this year
- God wants you to see your mountain and to take your seat on that mountain
- Ask God to show you your mountain and take your seat with Him in heavenly places
- God want you to arc with your natural body on the earth
- Your spirit body is already on the mountain
- We just need to relate, engage and to arc
- There is a seat of government before you
