

- It is easy to know who you are when things are going well but it is important to know who you are when you are going through the storm
- We are framed in His Name
- He has allowed us to engage on a mountain where we are seated
- When we are framed in His Name, something happens to our identity
- When we are framed in His Name and as sons we engage on a mountain where we are seated in heavenly places. A seat of government and positioning us to learn to operate and function and stand relationally in that position
- God wants to shut down storms and struggles in your life
- God wants to show you who you are
- When you wake up you will know your position and look at yourself from above not just in the mirror
- You were born from above seated in an identity in heavenly places (seat of government). Look at yourself in a different identity
- God has made you a new creation but why do we want to always go back

**Matthew 8:24-27 AMP**

*And suddenly a violent storm arose on the sea, so that the boat was being covered by the waves but Jesus was sleeping. And the disciples went and woke Him, saying, "Lord, save us, we are going to die!" He said to them, "Why are you afraid, you men of little faith?" Then He got up and rebuked the winds and the sea and there was [at once] a great and wonderful calm [a perfect peacefulness]. The men wondered in amazement, saying, "What kind of man is this, that even the winds and the sea obey Him?"*

- Creation is waiting for that kind of man that enters into very Man of Jeshua
- Jesus was sleeping while the storm were raging. God was showing us that while we are sleeping we are awake and are seated with Him in heavenly places. God is showing us even everything was crazy on the earth, the heavenly place on the mountain was a seat of rest. Hebrews 4:3 says enter My rest. Your identity does not start in the boat but it is shaped and framed in the heavens in His presence
- The storm and challenge are normally down here
- Jesus was in the boat but he was actually in a place of rest in the heavens
- His heavenly body arched with His earthly body
- DO you want to remain the man of dust or do you want to become the man the scripture is cleared about – the Man from heaven
- Jesus operated from the place of rest and from above he saw and speak, rebuking the storm
- The storm recognise the voice of the Creator
- He is in you and you are in Him
- Whether you are conscious about it or not you are in two places at the same time
- You are in a place of authority where you can speak on His behalf, through Him and with Him
- You are seated in heavenly places - choose what you want
- Your natural body is here in the storm but your spiritual body is seated with Him in heavenly places
- As your spirit body connects with Him and arch over your earthly body can be framed and shaped in the same manner
- So many times our flesh wants to take us into destruction mode and wants to be in a place of worry
- Take your seat in the heavens daily and begin to live there
- Enter His rest – Hebrews 4:3
- Greater is He that is in you than he that is in the world
- Command the storm around you to be still
- Take your position as a child of God
- If you are reborn stop making excuses to see
- You are a new creation why do you want to stay in the old
- Take your seat and allow the seat to arch with your natural body
- We use maps, "waze" to guide us. It gives you peace of mind. When it comes to the spiritual we choose to use religion

- Your spiritual body wants to arch with the natural to bring everything that is above into the natural
- What kind of man are you? Do you only want to be a carnal man or do you want to be a son born out of Him
- Rise up and shut down the storm. Take your seat in the heavens
- There are only priests and kings in the heavens no apostles
- Operate from your place in the heavens
- We are framed in God
- In the realm of God there is government and fire
