

- We have to deal with our vulnerabilities and the record that wants to hijack us from the new and the living way
- We need to bring our lives on a daily basis and trade it in as a living sacrifice through the blood
- The blood is the only currency that is sufficient and that can deal with this record and that can give you access into a different position
- Jesus has made the way for us, we have access to trade, to change this record and to step through the door
- This is why the Word says in Proverbs 13:12 “that hope deferred makes the heart sick” and this is why so many Christians are sick because what they hoped for they haven’t seen it yet, and so they become discouraged and they give up
- God has opened up a way for us, positioned us with Him and that is where we need to live and that is where we need to govern and position ourselves from
- We need to outwork the process
- David said: awake my soul, he understood what it was to speak to his soul and he got his carnal entity to arch with a different reality and he learned to live from that reality
- Jesus brought the Kingdom to us so that we can access the living Kingdom and be positioned in a place above, beholding the glory
- We can begin to stand and say: “I am” even when the record of your body says: “I am not”
- You need to bring that body and your spirit must say to your body and your soul: “I am, let’s go”
- This is why the word says that we need to be transformed because eventually your soul begins to taste something different and your soul no longer is acquainted with what it tasted on the outside
- The tastebuds of your soul begins to change, your desire begins to change
- The Word says: “O taste and see that the Lord is good”
- You will progress everyday because you will begin to take up the nature of I am
- He brought the Kingdom to us so that we can access this, to be able to see who you are and to mature
- Your God body and Spirit body is in a place of maturity and from the future there is a continuous unfolding
- Arch your bodies that is seated in Christ with your body
- We are going to do business differently, our lives and relationships are going to be different
- Creation will not respond to that what is in corruption, they are waiting for something different than that, that can liberate them
- Your God body is different, it is like I am
- We should not come to the service to be stirred up, we should come so that the next dimension can be added and the next degree of glory can unfold in our lives
- We want to put goals in place to become better but you are the best, you need to put goals in place to take action and to bring your carnal body in line with your spirit body that is already perfect
- Your actions everyday must not be to become better; you are more than a conqueror
- You need to begin to see that, so that your everyday goals can arch your body and your soul to what you are
- A house divided against itself, cannot stand
- The upper part of your house is I am and the lower part of your house that is anchored upon the earth but the one is not more important than the other
- Your carnal body is so important because it is an anchor point to the earth through which you unfold the plans and purposes of God into creation

- Your body on the earth must eventually arch and align with what you are so that you can just say: “I am” and creation and people can notice there is something different here
- If you do not take this there cannot be change, your life is going to stay the same and your body is going to hold onto the record of your humanity and sin
- You need to exchange the record through the blood
- It needs a daily outworking with intent
- Say to yourself: I am ..., I am Joseph, I am Israel, I am royalty, etc.
- The new and the living way is about learning even when you make mistakes
- As you encounter you will grow
- You need to arch yourself with intent because in that a transformation and transfiguration can take place
- Everything must ultimately culminate (reach a climax of higher development) to that place of what you are
- The Word gives us a few keys that we need to live our lives by for the carnal body to flow into the heavenly body and everything must begin to work together through the power of the Holy Spirit and the blood of Jesus so that you can stand anchored here on the earth and be useful and unfold the will and purpose of God into creation
- We are here for a purpose
- God wants to use you
- His plan for us is to create a new heaven and a new earth
- The earth belongs to man
- Keys:
  1. Prayer
  2. Worship
  3. Engaging the presence of God – Relationship and intimacy
  4. Meditation
  5. Oneness
- These are keys to come into the higher climax of who you are

## **Prayer**

- The body doesn't want to pray
- You are not going to outwork the new and living way if you do not understand prayer and begin to pray
- Your position has changed
- You do not pray from down, up you pray from up, down
- Prayer has first of all to do with your position
- God has repositioned you in another realm
- You need to pray from up, down
- If you are praying from down, up there is an unseen world where the prince of the power of the air is operating and if you are trying to pray your way up, you are saying that there is a government higher than you and that the prince of the power of the air holds government over you
- Many of our prayers does not even reach heaven because there is an enemy that hi-jack them before it comes to the ear of the Lord
- That is what happened with Daniel
- God repositioned us in a thriving reality and a position of government, seated in heavenly places so that we can pray differently
- We can look down on our enemy
- If your prayers are hitting the ceiling, it is because you are positioned wrong

- Your prayer life is going to change, you are going to love prayer because you are going to see that prayer actually works
- Prayer is about your position
- If we are not going to take action, nothing is going to happen
- Prayer is about seeing
- It is not about our requests and needs
- God already knows what we need
- Prayer is about His need
- God wants you to pray what is in His heart for any situation not what you think the need is
- Jesus brought us the Kingdom to give us access to a thriving realm so that we can see and engage and take hold of His will because in that there is always an abundance of supply
- Jesus said to pray: "Give us today our daily bread..." He is saying that there is supply everyday
- Pray what you see, not the need
- God knows the need and His arm is not to short
- We need to pray the heart of God
- It is not wrong to hold a request before God, we can do that but everything must become subject to His heart
- In John 17:21-23 we can see that Jesus prayed differently

### **John 17:21-23 TPT**

*I pray for them all to be joined together as one even as you and I, Father, are joined together as one. I pray for them to become one with us so that the world will recognize that you sent me. For the very glory you have given to me I have given them so that they will be joined together as one and experience the same unity that we enjoy. You live fully in me and now I live fully in them so that they will experience perfect unity, and the world will be convinced that you have sent me, for they will see that you love each one of them with the same passionate love that you have for me.*

- The apostle's prayers were very different because they prayed from a place of seeing
- When you are praying you should be touching the source
- He wants us to be in a place where it is about Him not our needs
- Your needs can be a springboard because you are at an uncomfortable place
- There are rooms filled with miracles in heaven and vaults of supply
- Jesus' prayer was from a place of seeing
- Our prayer life need to change because we must begin to see
- Everything about Jesus' position as the High priest towards us is supply
- He wants to hold nothing back from us
- Our position must shift and we must understand that prayer is about seeing, engaging with a different reality and then with your words you take hold of that and you begin to form that
- Arch your prayer with Jesus' intercession
- We are not the priest of anyone else, Yeshua is the High Priest and He knows exactly what the person need
- We are priests of YHWH and as priests we have a responsibility to stand before Him to do His will and to administrate His government on the earth as it is in heaven and because He has a heart for that person He will allow you to arch with His will and His plan for the person and when we see that, we can begin to pray that

### **Matthew 6:8-10 TPT**

*There is no need to imitate them, since your Father already knows what you need before you ask him. Pray like this: 'Our Father, dwelling in the heavenly realms, may the glory of your name be the center on which our lives turn. Manifest your kingdom realm, and cause your every purpose to be fulfilled on earth, just as it is fulfilled in heaven.*

- We need to begin to love prayer
- We need to touch the realm of mysteries
- Pray in the realm of glory
- We need to make a shift in your prayer life
- God wants to execute the will of heaven on the earth and in that there is always a supply
